

BART Agreement Number: 6M8132
Work Plan No. A.03 Fire Protection Support Services

Approval Date: 09/24/19

Scope:

The scope of services is to conduct site surveys and field investigations and inspections associated with the construction of the fire protection systems and components for both the Central Warehouse (Contract No. 01RQ-150) and the Component Repair Shop (Contract No. 01RQ-110). Review and comment on the Contractor fire protection submittals. Attend and participate in meetings as needed or as directed by BART. Work will be performed under the direction of the Construction Management Staff as well other tasks as needed or as requested by the BART HMC Project Manager.
