

**BART Agreement Number: 6M8137**

**Approval Date: 03/20/20**

**Work Plan No. B.10-01 – Pleasant Hill Parking Structure Elevator Modernization Project**

**Scope:**

PGH Wong Engineering, Inc. (“CONSULTANT”) will provide Construction Management Services consisting of a part-time Resident Engineer (RE) for the Pleasant Hill Parking Structure Elevator Modernization project under BART Project No. 15NL-003. BART assigned another Consultant to manage the Project from Notice-to-Proceed (NTP) through June 2019. This Work Plan is specifically for CONSULTANT to take over the closeout of the Contract after November 30, 2019.

The RE shall function as BART’s representative with the Contractor as a project liaison on engineering, operations, and construction matters. The RE shall follow BART’s policies and description of activities as defined in the Bay Area Rapid Transit District RE Manual, as deemed applicable by the BART Project Manager. The CONSULTANT will provide a Construction Management team consisting of a part-time Resident Engineer for approximately 8 hours/week. The Resident Engineer will be located at 300 Lakeside Drive, 9th Floor, Oakland, CA, unless otherwise directed by the District.
