No employee shall be forced or in any manner required, to execute the authorization other than by his own free act and will.

41. Each employee desiring to have his dues so checked off shall execute the required authorization and lodge the same with the Financial Institution so designated by the parties. The Individual Employer shall each month, so long as such authorization remains in effect, deduct the employee's dues from his basic pay, in such amount as the Union shall have notified it, in writing, and deposit the same in the Dues Account of the Union.
42. For purposes of this Article, the Individual Employers authorize and appoint the Financial Institution as their agent and the agent of each of them to check off the dues of such of their employees as shall have executed authorization.

44. No employee shall be relieved of his obligation to pay dues to the Union by reason of the failure of any Individual Employer to remit his dues check-off pay.
45. Employees joining the Union must pay an initiation fee of seventy-five Dollars (\$75.00).
46. Employees employed by Individual Employers prior to the date of execution of this Agreement who are members in good standing in a Local Union, or who perform work covered by this Agreement, may join the Union within sixty (60) days of execution of this Agreement if they so desire and, if they do so, they shall pay a reduced initiation fee of \$40.00. 50. The Individual Employer shall notify the Union of all employees who have quit, or have been terminated or recalled during the week.

## **ARTICLE X STRIKES AND LOCKOUTS**

51. It is agreed that, with respect to any dispute, complaint, or grievance arising under the terms and conditions of this Agreement, the Union will not initiate, authorize, assist, or support any strike, slowdown, or stoppage of work, including sympathy strikes. It shall be the responsibility of all parties to this Agreement to assure that any and all disputes arising during the term of this Agreement shall be settled in accordance with the applicable provisions of this Agreement.
52. With respect to any dispute, complaint or grievance arising under the terms and conditions of this Agreement or any addendum hereto which is subject to arbitration, it is agreed that neither the Union nor any Local Union will initiate, authorize, assist, or support any strike, slowdown, or stoppage of work, including sympathy strikes. It shall be the responsibility of all parties to this Agreement to assure that any and all disputes arising during the term of this Agreement shall be settled in accordance with the applicable provisions of this Agreement.
53. Notwithstanding the above stated prohibitions against strikes or work stoppages, the Union or any Local Union may withdraw the employees of any Individual Employer under the following conditions, and such withdrawal shall not be considered a violation of this Agreement.
- A. The Individual Employer has failed to meet the payroll for his employees, or has issued payroll checks which do not clear for collection, an employee so withdrawn shall receive wages and fringe benefits for a minimum of eight (8) hours per working day up to a maximum of thirty (30) days for so long as the Individual Employer fails to make proper payment for collection.
  - B. The Individual Employer, as determined by the trustees of the appropriate trusts, is delinquent in the payment of contributions to any trust as required by this Agreement, provided, however, that this Section will not permit the Union or any local union to withdraw employees from an Individual Employer merely because of a good faith dispute between the Employer and the trusts regarding whether fringe benefit contributions are required for certain persons or a particular type of work.
  - C. The Individual Employer has failed, neglected, or refused to comply with a final settlement or decision reached pursuant to the provisions for the Settlement of Disputes set forth in Article XI of this Agreement, and provided that thirty (30) days have elapsed since receipt by the Individual Employer of written notice of such settlement or decision.
  - D. It will not be a violation of this Agreement if an employee refused to cross an apparently

lawful picket line. However, an employee of an Individual Employer who refused to report to the job or project of an Individual Employer when directed to do so by the Union, may be discharged by his Individual Employer.

**ARTICLE XI  
GRIEVANCE PROCEDURE  
JOINT CONFERENCE BOARD**

54. It is the intention of the parties to this Agreement to settle problems that may arise on a local level. In order to provide means for uniform interpretation and application of the provisions of this Agreement, the parties hereto, from time to time, shall establish the Joint Conference Board.
55. Whenever any alleged violation of this Agreement, or any dispute concerning the meaning, interpretation or enforcement of this Agreement, exists between the Union and any Individual Employer and /or the Association, the aggrieved party (the Union, and Individual Employer or the Association) may file a grievance. The grievance shall be written, signed by a party or its agent, and served on the other party. The grievance shall state the grievant's understanding of the dispute. The other party, not later than five (5) working days after receipt of said grievance, may, but need not, serve a statement of its understanding of the dispute on the grievant.
56. Under no circumstances shall a grievance be recognized unless said grievance was filed within ten (10) working days of the date that the aggrieved party (the Union, an Individual Employer or the Association) first knew or, in the exercise of reasonable diligence, should have known, of the facts giving rise to the grievance.
57. The grievance shall be handled through the following three-step informal grievance resolution process:
- STEP 1: There shall be a meeting between a business representative of the Union and a representative of the Individual Employer to discuss the grievance.
- STEP 2: In the event that a business representative of the Union and the Individual Employer's representative cannot agree on a settlement of the grievance after a STEP 1 meeting is held, then within five (5) days after such meeting, the grievance shall be referred to the Union's Business Manager and the individual employer's designated representative. The parties shall meet to settle the grievance within ten (10) days after the grievance has been referred to them.
- STEP 3: In the event that the parties cannot agree on a settlement of the grievance within five (5) working days of the STEP 2 meeting, the Joint Conference Board shall be constituted and take jurisdiction.
58. The Joint Conference Board shall consist of three (3) members appointed by the Union and three (3) members appointed by the Association. A quorum shall consist of not less than two (2) members, one from each side. The number of votes allowed each side, however, shall in no event exceed the lesser number of Union- appointed or Association- appointed members.
59. The Joint Conference Board shall select a Chairperson from its membership and shall determine

the time and place of meetings, the rules of procedure and all other details necessary to promote and carry out the business for which it has been appointed. The Joint Conference Board shall hold hearings, as necessary, to review the evidence pertaining to the grievance. The Joint Conference Board shall issue a written decision within five (5) working days after the close of the hearing on the grievance. The decision of the Joint Conference Board shall be final and binding upon all parties.

If the Joint Conference Board, after meeting, cannot or does not agree on a decision on any grievance within fifteen (15) working days after hearing the grievance, it shall lose jurisdiction thereof and the members of the Joint Conference Board shall choose a impartial Arbitrator to decide the matter.

If the Joint Conference Board cannot, or does not, agree on an Arbitrator withing ten (10) working days after it has lost jurisdiction to decide the case, the Chairperson of the Board, or the grievant (whether the Union, an Individual Employer or the Association) may request the Federal Mediation and Conciliation Service to furnish a list of five (5) names of experienced labor arbitrators from which the parties to the grievance shall select the Arbitrator by alternately deleting names from such list until only one names remains.

60. The Arbitrator's decision shall be final and binding on all parties.

The cost of any arbitration, including the expenses of employing an Arbitrator, employing a court reporter and obtaining a transcript of the arbitration, shall be borne equally by the Individual Employer or the Association, as the case may be, and the Union.

61. After the Joint Conference Board or the Arbitrator issues a decision, said decision shall be immediately placed into effect and work thereafter shall continue in accordance with this Agreement and the provisions of said decision. If an Employer fails to comply with the decision of the Joint Conference Board or the Arbitrator, as the case may be, it shall not be a violation of this Agreement for the Union to strike said Employer, to refuse to supply employees for the jobs of said Employer and/or to withdraw employees from the job or jobs of such Employer.

The parties to the Landscape Agreement agree that if an Individual Employer pays some, but not all, of its obligations under said Agreement, priority shall be given to payment of the items listed below in the following order:

- (2) Vacation payments;
- (3) Defined Contribution Plan contributions;

65. A. The total wage and fringe benefit contribution package shall reopen on June 30, 2015, and on every June 30th during the life of this Agreement. Each Individual Employer shall pay any increases so agreed upon by the Union and the Association.
- B. The parties to this Agreement acknowledge and agree that the provision of benefits by the Health and Welfare Trust Fund will require the expenditures for funds on the administration of such benefits. The parties therefore authorize the Health and Welfare

Trust Fund Board of Trustees to apply a reasonable amount of the assets of the Health and Welfare Plan to the administration of health and welfare benefits under their management, as the Board deems necessary.

66. The above-named Funds shall be administered in accordance with the applicable Trust Agreements by and between the parties to the creation of said Trust Funds. The Individual Employers agree to be bound by all of the terms and conditions of said Trust Agreements and any amendment or amendments thereto that have been or may hereafter be adopted by the parties hereto. 67. Each Individual Employer shall file a monthly report with the Fund Administrator in San Francisco, California, on a form established by the Funds. Each monthly report and the corresponding contributions shall be submitted promptly and shall include all employees covered by this Agreement who worked during the Employer's payroll month. If an Employer has no employees in any particular month, such Employer must still submit a monthly remittance form to the Trusts informing the Trust that it had no employees during that particular month. Contributions shall be received by the Fund Administrator on or before the 20th day of the calendar month following the payroll month in which the employee worked.
68. Payments to the Funds shall be made at San Francisco, California, in accordance with and in the manner provided for by the applicable Trust Agreements. Such payments shall be due and payable monthly on or before the 15th day, and will be deemed delinquent if not paid on or before the 20th day of each calendar month for all work performed in the preceding month. Any report deposited in the mail must be postmarked not later than the 20th of the month or it shall be deemed delinquent.
69. The Parties recognize and acknowledge that the regular and prompt payment of amounts due each Trust Fund by the Individual Employers is essential and, based upon prior experience and in light of the substantial but varied expense incurred in the administration of said Funds, as well as other damages suffered by each Trust Fund when an Individual Employer fails to make the payments in full within the time provided, the parties agree that it is extremely difficult, if not impossible to determine the actual expense and damage to each Fund. Therefore, it is agreed that the damage resulting from any such failure shall be by way of liquidated damages and not a penalty to each such Fund, in the amount of ten percent (10%) of the amount due to each such Fund, or \$200.00, whichever is greater, for each failure to pay in full within the time provided. It is further agreed

that the liquidated damages due will be increased to twenty percent (20%) on any contributions still due when a lawsuit is filed against the Individual Employer. Such liquidated damages shall become due and payable to each such Fund in San Francisco, California, on the day immediately following the date on which the Individual Employer becomes delinquent, and shall be added to and become apart of said amount due and unpaid, and the whole thereof shall bear interest at the rate of twelve percent (12%) per annum until paid.

70. The employer shall remain liable for the payment of liquidated damages and/or interest assessed against it as described above, even if it makes full payment of the delinquent fringe benefit contribution, unless it receives a waiver of these sums from the applicable Board of Trustees or authorized Subcommittee thereof.
71. If any Individual Employer defaults in the making of such payments and if either the Union or the Funds or the Plan consults, or causes to be consulted legal counsel with respect thereto, or files or causes to be filed any suit or claim with respect thereto, there shall be added to the obligation of the Individual Employer who is in default all reasonable expenses incurred by the Union, the Funds, and the Plan, in the collection of same, including, but not limited to, reasonable attorney's fees, auditor's and accountant's fees, court costs and all other reasonable expenses incurred in connection with such suit or claim including any appellate proceedings therein.
72. The parties recognize and agree:
  - A. that the references to wage and fringe benefits in Section 7071.5 through 7071.11 of the California Business and Professions Code include payments for fringe benefits as described in this Agreement and the Trust Agreements creating each Fund;
  - B. that said payments are for the benefit of the employees of each Individual Employer covered by this Agreement, and that the failure of an Individual Employer to make said payments, in the manner and the time prescribed, causes damage to all employees, including the employees of the Individual Employer, in default, in the amount of the unpaid fringe benefits as well as the liquidated damages established herein, interest, and any attorney's and accountant's fees which the Union, the Funds, or the Plan, or any of them, may incur with respect to said default;
  - C. that the Union, the Funds or the Plan, or any of them, may bring a claim or legal action against the Individual Employer's license bond on behalf of an employee or employees covered by this Agreement.
73. Whenever the Union or Board of Trustees of any applicable Trust Fund in its judgment deems it necessary to protect payments to the Funds and the Plan or to protect the payment of wages to employees working under this Agreement, the Union or Board of Trustees may require any

Individual Employer to supply the Union or Trust Fund, not less often than weekly, with a written record of the names of all employees and their hours (specifying straight time and overtime) worked upon all or any particular job or jobs. The Union shall also have the right to withdraw and withhold the employees of any Individual Employer who fails to furnish such information promptly.

74. It is specifically the intent of this Agreement that no existing individual employee of a signatory contractor performing work of the type covered by this Agreement shall suffer the reduction of wages or benefits, and no such person shall be laid off or terminated for the purpose of being replaced by a person performing the same type of work at a lower wage rate.
75. Foremen's rate of pay shall be one dollar (\$1.00) per hour over the Journeyman of the United Association classification.
76. Fringe benefits shall be uniform for all employees covered by the Landscape Agreement, except as provided in Paragraphs 129 A, B, and, C below.
77. If any employee covered by this Agreement knowingly cooperates with an Individual Employer to defeat the payment of wages and fringe benefits as required by this Agreement, said employee and Individual Employer will be liable for such penalties as may be determined in accordance with the provisions in this Article.

### **ARTICLE XIII AUDITS OF EMPLOYERS**

78. Upon notice in writing from the Board of Trustees of any Trust Fund herein, or an authorized agent thereof, and Employer must permit any accountant appointed by the Board to enter upon the Employer's premises during business hours, at a reasonable time, to examine and copy such books, records, papers, or reports of such employer as may be necessary to determine whether the Employer is making full and prompt payment of all sums required to be paid by him or it to the Trust Funds.
79. The parties agree that the following records are necessary for the completion of an audit pursuant to this section: Employer's quarterly tax returns to the state and federal governments (California Form DE-3 and Federal Form 941), payroll journals, individual earnings records, and time cards for all employees, general check register, reports of employee hours to all other trades, workers' compensation insurance reports for all employees, general ledger, bank statements, canceled checks, check stubs, Internal Revenue service Forms W-2, W-4, 1096 and 1099 remitted to the United States Government, cash receipts journal, job cost records, and any other records which the auditor deems necessary or relevant to complete the audit.

80. The purpose of the audit is to determine how much money is owed to the Trust Fund, if any; the Employer understands that the purpose of the audit would be defeated if the Employers were able to limit the audit in any way, including limiting the audit to the employees whom it defines as covered employees. Therefore, the Employer shall not limit the scope of the audit in any fashion, but must make available all of the aforementioned books and records maintained by the Employer.
81. In the event of an audit as above set forth, the Employer shall pay the cost of said audit, if a delinquency is found. If no delinquency is found, the Trust shall bear the cost of the audit. Any audit cost incurred as a result of an Employer's cancellation of an audit, without at least two (2) working days notice to the auditor, or as a result of failing to make all records available shall be borne by that Employer and not the Trust Fund, regardless of the results of the audit.
82. Should an Employer refuse, or after a reasonable time fail to comply with the request for an audit, the Trustees, in their sole discretion, may initiate any appropriate legal proceedings to obtain a court order, compelling such defaulting employer to submit to such audit. In such event any and all court cost and fees, including reasonable attorney fees, incurred by the Trust shall be paid by such defaulting Employer.
83. PREVAILING RATES: On public work projects where wage determinations exist, such predetermined wage and fringe rates referenced in the bid specifications shall remain in effect for the duration of said project provided, however, that each segment let by the owner shall be deemed the project, provided further, that this provision shall not apply to projects where the formal advertised sealed bid procedure is not used. Increases in Trust Fund contributions shall not be subject to this provision provided further, that in no event shall wages be frozen for more than thirty-six (36) months on any one project. Unless the funding agency provided for escalation of those predetermined wage and fringe benefits in which case those increases shall be applied to the respective wages and fringe benefits contained herein. Should the prevailing wage rate in an area be less than that of the existing agreement, for public works projects, the lower prevailing wage rate will take precedence. The Union shall be responsible for taking all necessary steps to have the terms of this Agreement incorporated into State and Federal prevailing wage determinations.

120. Il parties shall comply with all Federal and State Laws, City and County ordinances pertaining to the work covered by this Agreement, including all Federal and State safety and health measures and laws. There shall be no disciplinary action by the Individual Employer against any workman who observes this section in good faith. 124. General Savings Clause: It is not the intent of the parties hereto to violate any clause, rulings, or regulations of any governmental authority or agency having jurisdiction on the subject matter of this Agreement. The parties hereto agree that in the event any provisions of this Agreement are finally held or determined to be illegal or void, the remainder of the Agreement shall remain in force and effect, unless the parties so found to be void is wholly inseparable from the remaining portion of this Agreement. The parties agree that in the event any provision of this Agreement is held or determined to be illegal or void, they will promptly enter into lawful negotiations concerning the subject matter of said provision.

**ARTICLE XVII**  
**EFFECTIVE AND TERMINATION DATES**

125. Except as otherwise provided herein, this Agreement shall be effective July 1, 2014, and remain in effect until June 30, 2017, and shall be renewed from year to year thereafter unless either of the parties hereto shall give written notice to the other of a desire to change at least sixty (60), but not more than ninety(90)days prior to the date of the expiration of this Agreement. While this Agreement continues in effect, neither party will make demands upon the other party for any changes in conditions or benefits or for any new or additional benefits except at the time and in the manner provided in this Agreement.

**ARTICLE XVIII**  
**OTHER CONDITIONS AND AGREEMENTS**

126. If subsequent to the date of execution of this Agreement, the employer becomes signatory to any other agreement covering the same work, the terms of such an agreement will not replace any of the terms of this Agreement unless agreed to by the employer and the Union. The parties agree that the Employer may take advantage of any of the more favorable terms of any other agreements that the Union might enter into with other employers for the same work, except however, that Special Project Agreements adopted under Paragraph 8 shall be subject only to the special rules contained therein, and this clause shall not apply to the Residential Light Commercial Maintenance Agreement.
127. The parties to this Agreement recognize the necessity of assuring the competitive position of the parties within the industry during the term of this Agreement. Consistent with this recognition, the parties will continually monitor the effectiveness of this Agreement relative to the specific

agreement, to initiate such modifications to the Agreement during its terms as may be necessary to assure the work opportunities of the employees and the competitive position of the employer. The Union recognizes that other crafts are cooperating with the employer in meeting open shop competition. In order to cooperate with this effort, the Union agrees that if any of the other crafts have made available a reduced wage and fringe package of particular work, the employer may request reduction of the wage and fringe package of employees covered by this Agreement in the same proportion for the same work, and the reduction may be made upon mutual agreement of the parties to this Agreement.

128. Subject to all State and Federal Rules and Regulations governing or applicable to the safety of employees, place of employment and operation of equipment, no rules, customs or practices shall be permitted that limit production or increase the time required to do any work. There shall be no limitation or restriction of the use of machinery, tool, or other labor saving devices. Employees shall perform their duties in such fashion as to promote efficient operation of the particular duty and of any job as a whole.

**ARTICLE XIX**  
**FRINGE BENEFIT CONTRIBUTIONS FOR TRAVELERS**

  - (3) The trust fund(s) of the employee's home local union either have a reciprocity agreement in effect covering such contributions, or agree to accept such contributions and to treat the hours of covered employment under this Agreement as hours of covered employment under the applicable plan(s) of the trust funds; and
  - (4) The employer agrees to make contributions at such higher rates, as demonstrating by accepting dispatch of the employee at the applicable contribution rate(s) of the home local union, or by completion of a report form showing the applicable contribution rates of the home local union.

- B. If the conditions of Paragraph A are met, then the employer is required to contribute at the higher of the following rates:
- (1) The contribution rate(s) in effect under the master labor agreement of the employee's home local union for the plan(s) which the employee has requested to have remitted to the trust fund(s) of his home local union; or
  - (2) The contribution rate(s) otherwise required under this Agreement.
- C. This requirement shall apply from the time the employer accepts dispatch of the employee under this clause, until the employer notifies the employee, the Union, and the trust fund office of both the Union and of the employee's home local union in writing, no less than 30 days before the first day of the month in which such notice is to be effective, that it will contribute only at the rates otherwise required in this Agreement. Contributions required under this section shall be reported and remitted in the same manner as required elsewhere in this Agreement, unless the employer, the Union and the applicable trust fund(s) of the employee's home local union agree to having such contributions reported and remitted in some other manner.
