## TEMPORARY PARKING CHANGES AT FREMONT STATION STARTING MARCH 24

Dear BART Customers:

On Thursday, March 24, we will be doing work on the west side of the station in the Kiss & Ride area for approximately 20 days (until April 13). This is to allow changes/improvements to the access road for the Washington Hospital garage, improvements to sidewalks, and the addition of new planters.

There will be two phases to the work. A map of the affected areas is on the back of this bulletin. During both phases there will be signs and flag-persons to direct pedestrians and traffic.

Phase I: The pedestrian path in the center of the parking area will be closed with pedestrian access on the south sidewalk only. For cars, there will be only one-way access around the parking lot to Mowry. Parking spaces on the northwest side of the lot will be closed.

Phase II: The small parking area in the northwest of the parking lot will be mostly closed and will only allow access to Mowry and Walnut.

We realize that this will be inconvenient for you and appreciate your patience during this important work.
