

VISION PLAN

BART is seeking your input on important spending decisions we need to make over the next 40 years.

BART is faced with a number of important needs: the need to fix and modernize our aging system; the need to reduce crowding on trains and in stations; and the need to serve a growing region committed to sustainability -- possibly with new stations and lines.

We want to hear directly from our riders about the improvements they want to see and options to pay for them.

Join us at one of our in-station events or fill out a survey online at www.futurebart.org.
