### FROM THE GENERAL MANAGER

## Happy New Year from BART

Happy New Year to you! Thanks for continuing to ride BART this New Year. Just as 2014 was a big year for BART, we have big plans for 2015. This year, BART will continue our efforts to modernize our busiest stations with the goal of upgrading and improving the transit experience for our riders. We also will continue construction on major projects bringing BART to Antioch and Warm Springs.

Once again this year, we'll be partnering with local organizations to celebrate BART's surrounding communities. This month, we are proud to once again support one of Northern California's largest ceremonies honoring the life of Dr. Martin Luther King, Jr. Visit [norcalmlkfoundation.org](http://norcalmlkfoundation.org) for more information on this great BARTable event.

Thanks again for riding BART. We look forward to continuing to provide you with safe, reliable and convenient service in the year ahead.

**Outreach begins on San Francisco escalator and entrance improvements**

Thanks to State Proposition 1B and the City of San Francisco, BART has received \$12 million to make improvements to escalators and entrances at some of our downtown San Francisco stations. BART has identified two escalators at Powell Street Station and one escalator at Civic Center/UN Plaza Station that are most

in need of improvements. BART held an open house Dec. 16 and 18 to get public input on the project.

Once planning is complete in Fall 2015, construction will begin mid-2016 to replace these escalators and construct a protective cover or canopy over them. Visit [bart.gov](http://bart.gov) for more information.
