

Introducing Transportation Careers to the Communities We Serve

Are you interested in a career in transit?

Announcing a great educational opportunity to enter the transit workforce market.

The Transit Career Ladders Training Program (TCLT)

Enroll in this **fully paid technical program** for a career such as:

- > Electrician
- > Train Control Electronic Technician (TCET)
- > Transit Vehicle Electronic Technician (TVET)

You'll receive college credits and no experience is necessary.

Participating colleges:

The Transit Career Ladders Training (TCLT) Program is funded by a grant from the Federal Transit Administration and is in partnership with Bay Area Community Colleges, Bay Area Rapid Transit (BART) and such agencies as the local Workforce Investment Boards (WIB).
