REPAVING PROJECT AT DALY CITY STATION BEGINNING EARLY OCTOBER 2013

Dear Customers:

In early October 2013, we will begin a repaving project at our Daly City Station. The project should be completed in the spring of 2014. The work will be done Monday-Friday from 7am to 7pm with some night and weekend work.

There will be 3 Phases (weekdays) and 5 Work Areas (weekends & nights). Please see the map on the reverse for the locations of the Phases and Work Areas. Some phases may result in the temporary relocation of bus and shuttle boarding areas—watch for signs.

Weekdays: beginning early October through November 2013

Phase 1: The small parking lot adjacent to John Daly Boulevard under the track at the south end of the station; the roadway at the southern end of the parking garage (street level); the ADA van parking spaces adjacent to the southern end of the parking garage.

Phase 2: The internal station road from the middle to the north as far as St. Charles Avenue toward the bridge, but not crossing it.

Phase 3: The internal station road from the middle toward the south and the station exit road.

Weekends & Nights: beginning mid-October through January 2014

Work Area A: Saint Charles Avenue and half of the south station road.

Work Areas B – E: The entire bus intermodal area.

We apologize for the inconvenience and appreciate your patience.
