INSTRUCTIONS - LOCAL AGENCY BIDDER DBE COMMITMENT (CONSTRUCTION CONTRACTS)

ALL BIDDERS:

PLEASE NOTE: This information may be submitted with your Bid. If it is not, and you are the apparent low Bidder or the second or third low Bidder, it must be submitted and received as specified in the Special Provisions.² Failure to submit the required DBE commitment will be grounds for finding the Bid nonresponsive.

The form requires specific information regarding the construction contract: Local Agency, Location, Project Description, Total Contract Amount, Bid Date, Bidder's Name, and Contract DBE Goal.

The form has a column for the Contract Item Number and Item of Work and Description or Services to be Subcontracted or Materials to be provided by DBEs. Prime Contractors shall indicate all work to be performed by DBEs including, if the prime is a DBE, work performed by its own forces, if a DBE. The DBE shall provide a certification number to the Contractor and expiration date. Enter the DBE prime's and Subcontractors' certification numbers. The form has a column for the Names of DBE Contractors to perform the work (who must be certified on the date Bids are opened and include the DBE address and phone number).

IMPORTANT: Identify all DBE firms participating in the project regardless of tier. Names of the First-Tier DBE Subcontractors and their respective item(s) of work listed should be consistent, where applicable, with the names and items of work in the "List of Subcontractors" submitted with your Bid.

There is a column for the DBE participation dollar amount. Enter the Total Claimed DBE Participation dollars and percentage amount of items of work submitted with your Bid pursuant to the Special Provisions.² (If 100% of item is not to be performed or furnished by the DBE, describe exact portion of time to be performed or furnished by the DBE.) See Section "Disadvantaged Business Enterprise (DBE)," of the Special Provisions² (construction contracts), to determine how to count the participation of DBE firms.

Exhibit 15-G must be signed and dated by the person bidding. Also list a phone number in the space provided and print the name of the person to contact.

Local Agencies should complete the Local Agency Contract Award, Federal-aid Project Number, Federal Share, Contract Award Date fields and verify that all information is complete and accurate before signing and filing.

² In place of Special Provisions, see Supplementary Conditions Article SC7.1.

DBE INFORMATION - GOOD FAITH EFFORTS

Federal-aid Project No. _____ Bid Opening Date _____

The _____ (City/County of) _____ established a Disadvantaged Business Enterprise (DBE) goal of _____% for this Contract. The information provided herein shows that a good faith effort was made.

Lowest, second lowest and third lowest Bidders shall submit the following information to document adequate good faith efforts. Bidders should submit the following information even if the "Local Agency Bidder DBE Commitment" form indicates that the Bidder has met the DBE goal. This will protect the Bidder's eligibility for award of the Contract if the administering agency determines that the Bidder failed to meet the goal for various reasons, e.g., a DBE firm was not certified at bid opening, or the Bidder made a mathematical error.

Submittal of only the "Local Agency Bidder DBE Commitment" form may not provide sufficient documentation to demonstrate that adequate good faith efforts were made.

The following items are listed in the Section entitled "Submission of DBE Commitment" of the³ Special Provisions:

- A. The names and dates of each publication in which a request for DBE participation for this Contract was placed by the Bidder (please attach copies of advertisements or proofs of publication):

³ In place of Special Provisions, see Supplementary Conditions Article SC7.1.

- C. The items of work which the Bidder made available to DBE firms including, where appropriate, any breaking down of the Contract work items (including those items normally performed by the Bidder with its own forces) into economically feasible units to facilitate DBE participation. It is the Bidder's responsibility to demonstrate that sufficient work to facilitate DBE participation was made available to DBE firms.

Items of Work	Bidder Normally Performs Item (Y/N)	Breakdown of Items	Amount (\$)	Percentage Of Contract

- D. The names, addresses and phone numbers of rejected DBE firms, the reasons for the Bidder's rejection of the DBEs, the firms selected for that work (please attach copies of quotes from the firms involved), and the price difference for each DBE if the selected firm is not a DBE:
