

BETTER STATIONS.

BART is seeking **your input** on the future of our **Embarcadero and Montgomery stations.**

We are considering changes to make your BART experience more comfortable: we know that crowding is an issue, especially during commute times, so we are looking into improving how the stations function. We are also considering safety, access, appearance, and the overall customer experience at the stations.

Please let us know which improvements are important to you, by coming by our in-station events or filling out a survey online at www.bart.gov/SFplatforms (click on the survey link).

Preparation of this report was made possible with the financial participation of the Federal Transit Administration and Caltrans.
