RAMP AND SIDEWALK IMPROVEMENTS AT LAFAYETTE STATION

Dear Customer:

In November, we will begin work to replace the ramp at the south side of Lafayette Station to improve safety for our customers. The work will block several parking stalls near the ramp and we will need to close temporarily one half of the stairwell into the station. During the work, signs will be posted to help you find your way around the construction.

Please see the map on the back of this bulletin for the location of the work.

We realize this is an inconvenience, and appreciate your patience while we make these improvements.
