ADDITIONAL NOTES

In accordance with the BART Citizen Oversight Model (Model), OIPA investigates certain complaints, conducts complainant-initiated appeals, and also monitors and/or reviews complaint investigations conducted by BPD. Though potentially work-intensive, some complaint investigation reviews are completed informally, with any concerns being addressed through a conference with BPD's Internal Affairs investigators. Noting the various kinds of work that OIPA undertakes with regard to complaints and investigations, the following chart includes some of the pending cases in which OIPA is involved as of the end of this reporting period.

Investigations Being Conducted	4
Complainant-Initiated Appeals	2
BPD-Initiated Appeals	0
Investigations Being Monitored	10
Investigations Reviewed During Current Month	22†

† This number does not include all OIPA reviews, as OIPA commonly looks at a variety of cases in the Internal Affairs database to obtain updates on both pending and completed investigations.

The Model provides that OIPA shall have authority to require follow-up investigation into any citizen complaint or allegation that is handled by BPD. The OIPA Monthly Report will reflect information regarding monitored cases with detail not to exceed that which is allowable under state law. The investigations reviewed by OIPA during the period did not generate any notable recommendations for revisions or additional investigation.⁹

¹ In addition to reporting on complaints received by the BART Police Department, the Citizen Oversight Model requires reporting on all complaints received by the "Citizen Board, Office of the District Secretary, and other District departments." As complaints received by the BART Police Citizen Review Board are customarily directed to OIPA for further action, such complaints are included in the Quantitative Report above; OIPA is also made aware of additional complaints about the BART Police Department by the Office of the District Secretary or other District departments.

² This number includes all Citizen Complaints filed against members of the BART Police Department, as well as Administrative Investigations generated internally by BART Police Department members (as opposed to being filed by a citizen). This number also includes previously completed cases that have been re-opened during the current reporting period.

³ This number indicates all investigations that are open as of the end of the reporting period. It includes Citizen Complaints (regardless of whether the investigation is being conducted by OIPA, the BART Police Department, or both) and Administrative Investigations.

⁴ This number includes all cases completed by OIPA during the reporting period for which OIPA's findings are required by the BART Citizen Oversight Model to be submitted to the BART Police Citizen Review Board. It therefore includes independent investigations, as well as reviews of completed BART Police Department investigations initiated via appeal from a complainant. Unless otherwise noted, it does not include reviews of BART Police Department investigations initiated at the discretion of OIPA, which happen commonly and do not always generate a formal report; it also does not include reviews conducted by OIPA of complaint investigations where the complaint was filed with OIPA but did not fall under OIPA's investigative jurisdiction.

⁵ This number refers to appeals filed with OIPA by complainants who have been issued the findings of the BART Police Department's internal investigation into their complaint regarding on-duty incidents. OIPA has a responsibility to review such appeals pursuant to the BART Citizen Oversight Model, Chapter 1-04 (E).

⁶ This number refers to all appeals initiated by the BART Police Citizen Review Board after receiving and reviewing the findings issued by OIPA in a given case. The routes of all such appeals are described in detail in the BART Citizen Oversight Model, Chapter 1-04 (B) (iv-v).

⁷ The BART Police Department defines an Informal Complaint as, "A comment on the actions of a Department employee, where the reporting party expressly states that he or she does not feel that the matter should be formally investigated

with the understanding that an Informal Complaint does not hold the potential to result in disciplinary action against the employee.” (BART Police Department Policy Manual, Policy 1020.1.1(d)).

⁸ It is important to note that OIPA does not separate citizen complaints it receives into “Formal” and “Informal” classifications. This chart reflects all citizen complaints received by OIPA and all Formal Complaints received by the BART Police Department.

⁹ OIPA may submit recommendations to IA regarding minor clerical or record-keeping adjustments which are intended to maintain the integrity of the data collection and record-keeping processes at BPD. These are not considered by OIPA to be substantive recommendations requiring reporting herein.
