Buy America Certification Instructions.

Buy America Requirements. This Contract is subject to the "Buy America" requirements 49 USC § 5323(j), and 49 CFR Part 661, as may be amended from time to time, and applicable federal regulations. The following is a general summary of the "Buy America" provisions. It does not relieve the Bidder of the responsibility to comply with official interpretations of the cited statutes or any other governing regulation on the subject:

- A. All iron, steel and manufactured products used in this Contract must be produced in the United States unless an exception is granted by the Federal Transit Administration (FTA) or Paragraph D below applies.
- B. The Bidder whose Bid exceeds \$100,000 must execute the appropriate "Buy America" certification in the Bid Documents. Failure to do so will make the Bid non-responsive. **The two signature blocks on the Buy America Certificate(s) are mutually exclusive. Bidder shall sign only one signature block on the Certificate. Signing both signature blocks will make the Bid non-responsive.** A false certification is a criminal act in violation of 18 USC 1001.
 1. The Bidder who has submitted an incomplete "Buy America" certificate or incorrect certificate of non-compliance through inadvertent or clerical error (but not including failure to sign the certificate, submission of certificates of both compliance and non-compliance, or failure to submit any certification), may submit to the FTA Chief Counsel within ten (10) Days of Bid opening a written explanation of the circumstances surrounding the submission of the incomplete or incorrect certification in accordance with 28 USC §1746, sworn under penalty of perjury, stating that the submission resulted from inadvertent or clerical error. The Bidder will also submit evidence of intent, such as information about the origin of the product, invoices, or other working documents. The Bidder will simultaneously send a copy of this information to the District Secretary.
 2. The FTA Chief Counsel may request additional information from the Bidder, if necessary. The District may not make Contract Award until the FTA Chief Counsel issues his/her determination, except as provided in 49 CFR Part 661.15(m).
 3. Certification based on ignorance of proper application of the "Buy America" requirements is not an inadvertent or clerical error.
- C. A waiver from the "Buy America" provisions will be sought by the District from the FTA if the grounds for a waiver exist. The Bidder seeking a waiver must submit to the District a timely request in writing, which shall include the facts and justification to support the granting of the waiver. Such waiver from the "Buy America" provisions may be granted if the FTA determines that:
 1. Their application would be inconsistent with the public interest;
 2. Materials are not produced in the United States in sufficient and reasonably available quantities and of a satisfactory quality; or
 3. Inclusion of domestic material will increase the cost of the overall Contract by more than 25 percent.
- D. In the case of the procurement of rolling stock (including train control, communication and traction power equipment), Paragraph A above does not apply if the cost of components which are produced in the United States is more than 60 percent of the cost of all components and final assembly takes place in the United States.

- E. Any party may petition the FTA to investigate a successful Bidder's compliance with the "Buy America" certification. The procedures are set out in 49 CFR Part 661.15. If the FTA determines the evidence indicates noncompliance, the FTA will require the District to initiate an investigation. The successful Bidder has the burden of proof to establish compliance with its certification. If the successful Bidder fails to so demonstrate compliance, the successful Bidder will be required to substitute sufficient domestic materials without revision of the original Contract terms. Failure to do so will be a breach of the Contract and may lead to the initiation of debarment proceedings under 49 CFR Part 29.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Orders 12549 and 12689.
