Construction Notification # 10

Soil Hauling Operation Along Driscoll Road

March 25, 2010

As part of the construction of the BART Warm Springs Extension Project, contractors will begin hauling soil and storing the material in the field just south of the golf course between the Union Pacific Rail Road tracks. Starting Monday, March 29, 2010 trucks will use Driscoll Avenue to Paseo Padre Parkway to access the site where materials will be stored.

Hauling hours are scheduled from 8:30 am - 1:30 pm and from 2:30 pm - 7 pm, Monday through Friday. Dust control measures including sweeping and watering will be in place. Additional hauling will be required throughout the duration of the project.

The work includes:

- Hauling soil materials to storage field
- Stockpiling at site for future use

The City and County of San Francisco's water department is also performing work in the area. This work is unrelated to BART activities.

We appreciate your continued patience during construction.

If you have questions regarding these activities, please contact our project information line at (510) 476-3900 or e-mail bartwarmsspringsextension@bart.gov. You can also visit our Community Relations Field office located in Fremont Central Park off of Stevenson Boulevard Monday – Friday 8 am to 5 pm.
