

BART

Warm Springs Extension

Construction Notification #50

Utility Work and Traffic Impacts On Warm Springs Blvd.

Construction Details

Summary of Activity

Installation of utilities and paving at Warm Springs Blvd.

Estimated Start Date

Week of October 14, 2013

Estimated Duration

Intermittently for approximately 12 months.

Impacts

- Narrowing of roadway along Warm Springs Blvd.
- Traffic delays
- Increased dust and noise.

General Work Hours

7 am to 7 pm

October 8, 2013

As part of the Warm Springs Extension Project, construction crews will be working in the vacant area along Warm Springs Blvd. between Reliance Way and S. Grimmer Blvd. While the work will not remove any lanes, it will narrow the existing northbound lane as crews work to install underground utilities. A map of the affected area is on the reverse.

The work will include, but is not limited to:

- Installing changeable message signs.
- Narrowing a section of northbound Warm Springs Blvd.
- Excavation in impacted area
- Installing and relocating utilities
- Paving

We appreciate your continued patience during construction. If you have questions regarding these activities, please contact our office at (510) 413-2060 or e-mail bartwarmspringsextension@bart.gov.
