#### May 20, 2014

As part of the BART Warm Springs Extension Project, two concrete bench shelters will receive artistic makeovers with the installation of Mosaic tiles. When complete the seating area is meant to be both functional and a visually appealing addition to the improvements underway at Fremont Station.

The work will include, but is not limited to:

- Posting “No Parking” signs in area of benches
- Installing fencing and privacy screening around seating area
- Sandblasting concrete benches and shelters in preparation for tile on north end bench, followed by south end bench
- Installation of Mosaic tile
- Removal of signs and fencing and area clean up

The Mosaic tile is scheduled for two shelters, However, one seating area will remain operational at all times.
