# Construction Notification #74

## *Improvements on Warm Springs Court*

October 12, 2015

The City of Fremont's Street Widening Improvements Project and the BART Warm Springs Extension (WSX) Project have been coordinating work to make roadway improvements and to create bicycle lanes along Warm Springs Court. These efforts are being made to accommodate additional bicycle traffic to the new Warm Springs/South Fremont Station.

Upon the conclusion of the work, new bike lanes will be in place and approximately 600 feet of on-street parking will remain on Warm Springs Court along the northeast side of the street near the intersection with Warm Springs Boulevard (see diagram of area on reverse side).

We appreciate your patience during this work, and will attempt to minimize construction-related noise, dust and inconvenience. Please watch for signs with safety information and other notices.

The work will include, but is not limited to:

- Repaving, landscaping, and creation of new bike lanes in impacted area;
- Vehicle access will be temporarily inconvenienced with lane narrowing, shifting and detour signs;
- Temporary closing of on-street parking; and
- Temporary sidewalk detours.

Please follow all posted parking and pedestrian detour signs and other notices regarding construction activities and safety information.

We appreciate your patience during this work, and will attempt to minimize construction-related noise, dust and inconvenience. Please watch for signs with safety information and other notices.
