Construction Notification # 17

Subway Construction Work Expands Across Stevenson Boulevard

May 11, 2010

Construction of the Fremont Central Park Subway continues with a traffic switch on Stevenson Blvd. from about 500-feet east of Civic Center Drive to Guardino Drive. The switch will involve relocating the current travel lanes to the south side of Stevenson Blvd. Two travel lanes will be maintained for the duration of the traffic switch.

- A map showing the work area is on the opposite side of this notification. The work will include, but is not limited to:

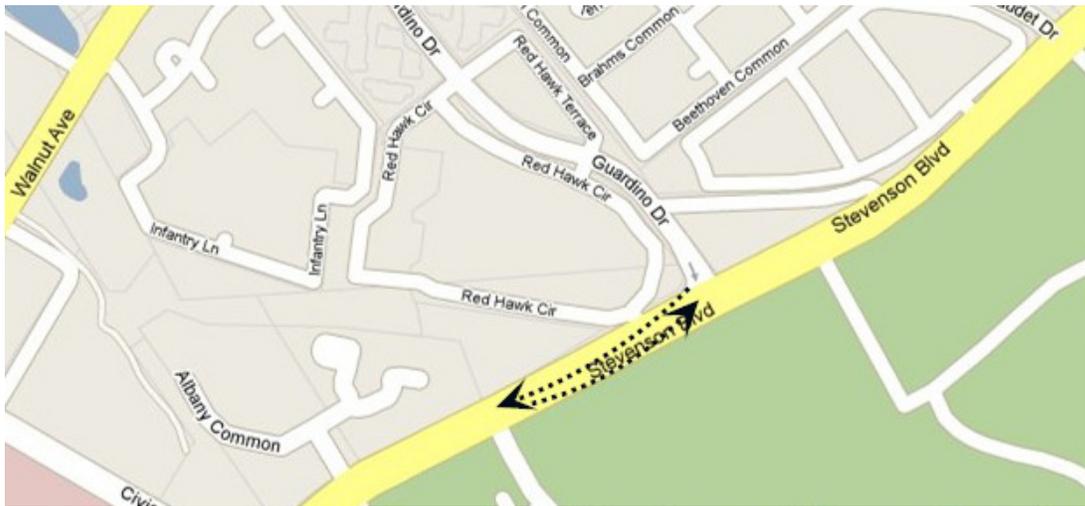

- Changing the location of traffic separation barriers
- Repave and stripe Stevenson Blvd.
- Construction of the subway

We appreciate your continued patience during construction. If you have questions regarding these activities, please contact our project information line at (510) 476-3900 or e-mail bartwarmsspringsextension@bart.gov.

You can also visit our Community Relations Field office located in Fremont Central Park off of Stevenson Boulevard Monday – Friday 8 am to 5 pm.
