

BART

Warm Springs Extension

Construction Notification # 34

Change to Pedestrian Pathway

Construction Details

Summary of Activity

- Rerouting of pedestrian path
- Placement of temporary bridge

Estimated Start Date

September 21st

Estimated Duration

Approximately 3 weeks

Impacts

Diversion of existing pedestrian path is expected to cause minimal disruption.

General Work Hours

7 am to 7 pm
Monday through Friday
Saturday work as necessary

Lake Elizabeth Work Hours

7 am to 10 pm
Monday through Friday
8 am to 6 pm – Saturday

September 20, 2011

BART continues work on the subway portion of the Warm Springs Extension project through Central Park. As part of this work, the existing cofferdam at Lake Elizabeth is planned to be removed this fall. The removal will alter the current path, but maintain pedestrians' ability to complete the lake walk. To prepare for the removal of the cofferdam, this week, crews will add a temporary bridge. Pedestrians will be routed around the lake and not over the cofferdam as they are able to do currently. This new routing will be in place for approximately 3 weeks while construction crews complete work in the Lake Elizabeth area.

We appreciate your continued patience during construction. If you have questions regarding these activities, please contact our project information line at (510) 476-3900 or e-mail bartwarmspringsextension@bart.gov. You can also visit our Community Relations Field Office located in Fremont Central Park off of Stevenson Boulevard Monday through Friday, 8 am to 5 pm.
