BART continues work on the subway portion of the Warm Springs Extension project through Central Park. In order to complete final restoration of the sidewalk on the south side of Lake Elizabeth, it is necessary to close the sidewalk. The closure will take place from 1:30 pm on Wednesday, October 5th until 5:00 am on Thursday October 6th. During the closure, park users will not be able to walk completely around the lake. Park users should look for signs directing them to the alternate routes. Severe weather could delay the work.

We appreciate your continued patience during construction. If you have questions regarding these activities, please contact our project information line at (510) 476-3900 or e-mail bartwarmsspringsextension@bart.gov. You can also visit our Community Relations Field Office located in Fremont Central Park off of Stevenson Boulevard Monday through Friday, 8 am to 5 pm.
