Starting the week of November 7, 2011, construction crews will resume driving sheet piles for the Fremont Central Park Subway project. The work will take place on BART property near the UPRR track way north of Paseo Padre Parkway, south of the golf driving range and east of Lake Elizabeth. The work is expected to be complete in five weeks. The work will include, but is not limited to:

- Staging materials
- Driving sheet piles for the excavation support system

There is currently no public access to the work area, therefore there will be no disruption of pedestrian or vehicular traffic.

We appreciate your continued patience during construction. If you have questions regarding these activities, please contact our project information line at (510) 476-3900 or e-mail bartwarmsspringsextension@bart.gov. You can also visit our Community Relations Field Office located in Fremont Central Park off of Stevenson Boulevard Monday through Friday, 8 am to 5 pm.
