7 am to 7 pm

Monday through Friday

Saturday work and possible night work as necessary

Construction Notification #44

Upcoming Temporary Lane Closures on South Grimmer Blvd.

April 26, 2013

As part of the Warm Springs Extension Project, construction crews will temporarily close the inside lane in each direction along South Grimmer Blvd between Warm Springs Blvd. and Lopes Ct. These lane closures are needed in order to construct the BART South Grimmer Blvd. track way overpass and are expected to last up to 5 months. There is a possibility of a full closure and intermittent night closures as part of this work.

The work will include, but is not limited to:

- Placement of traffic signs along South Grimmer Blvd.
- Temporary closure of the #1 (inside) lane in both directions on South Grimmer Blvd.
- South Grimmer Bridge construction.
- Removal of signs and traffic control, as well as road clean up.

We appreciate your continued patience during construction. If you have questions regarding these activities, please contact our office at (510) 413-2060 or e-mail bartwarmsspringsextension@bart.gov.
