As part of the Warm Springs Extension Project, construction crews will temporarily reduce the eastbound lane on Walnut Avenue from two lanes down to one, between Civic Center Drive and BART Way.

The work will include, but is not limited to:

- Traffic control placement and temporary closure of the eastbound #2 (outside) lane
- Potholing, saw cutting and demolition work
- Gas and electrical line relocation
- Removal of signs and traffic control, as well as road clean up.

We appreciate your continued patience during construction. If you have questions regarding these activities, please contact our office at (510) 413-2060 or e-mail bartwarmsspringsextension@bart.gov.
