Construction Notification #009

Utility Relocation for Subway Construction

July 2011

Starting July 18, crews will begin utility relocation in preparation for the Oakland Airport Connector (OAC) subway segment construction at the intersection of Doolittle Drive and Airport Access Road. The work will require temporary lane closures and shifting of traffic on Doolittle Drive and Airport Access Road through December 2011.

General work hours are 7 am to 7 pm Monday through Saturday.

However, to decrease impacts to traffic in the area, some work will be performed at night between 9 pm and 5 am Monday through Saturday. The work activities will include but are not limited to:

- Placement of traffic signage and temporary lane closures on the affected streets
- Steel plates as temporary protective road covering to maintain traffic flow
- Crews using excavators and personnel vehicles to access work areas
- Cutting of concrete and intermittent jackhammering
- Monitoring of noise and dust to meet local regulations
- Restoration of areas upon completion of the work

Throughout construction you can expect lane closures and traffic impacts in the area and construction related noise, dust, vibration and inconvenience. All efforts will be taken to minimize disruptions to the community. Please watch for notices regarding future construction activities and signs with safety information. We appreciate your patience and cooperation during this work.

**Subway Construction Work
Impact Zone**

Work Area: Doolittle Drive and
Airport Access Road

Lane Closures: Lane closures
and shifting of traffic
