# Construction Notification #18 *Continued Guideway Foundation Construction*

## December 2011

Starting the week of December 19, the Oakland Airport Connector (OAC) project will continue construction of the OAC guideway foundation along Hegenberger Road. This work includes the relocation of a palm tree from the northeast corner of Hegenberger and Airport Access roads, in order to construct an additional column structure. The tree will be relocated to another location in the City of Oakland.

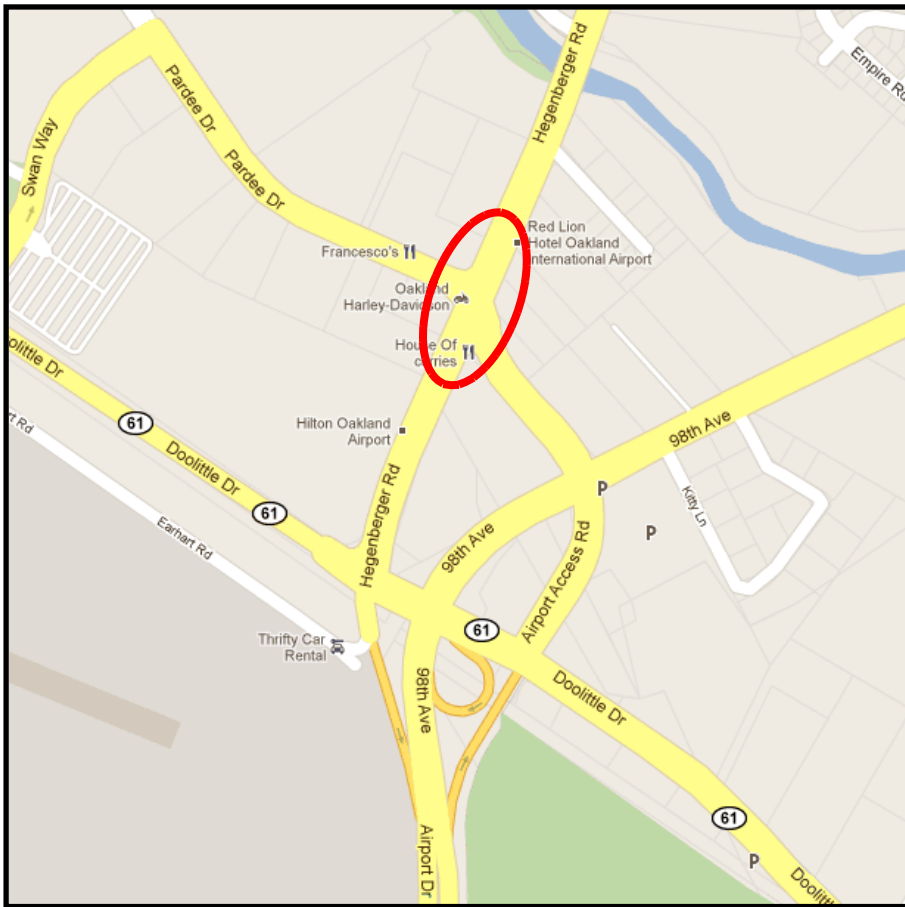

General work hours are 7 am to 7 pm Monday through Saturday.

**However, some work will be performed at night between 9 pm and 5 am Monday through Saturday.**

As part of the continued work, the public should be aware of the following conditions:

- Lane closures and shifting of traffic
- Delivery of construction equipment and materials
- K-rail (concrete barrier) installation
- Pedestrian detours
- Noise and vibration from deep drilling and jackhammering
- Dust from excavating and off-hauling materials

Noise, dust and vibration levels will be monitored and all efforts will be taken to minimize these and other disruptions to the community. Please watch for notices regarding future construction activities and signs with safety information. We appreciate your patience and cooperation during this work.

**Construction Work  
Impact Zone**

**Work Area:** Hegenberger Road,  
near the intersection of Airport  
Access Road
