Construction Notification #21

Road Reconfiguration and Guideway Foundation Construction

San Leandro Street to Interstate 880

March 2012

This month the Oakland Airport Connector (OAC) project will begin the following construction activities along Hegenberger Road between San Leandro Street and Interstate 880:

- Widening Hegenberger Road, to prepare the area for upcoming construction of the guideway foundation and column structures.
- Constructing the OAC guideway foundation and column structures in the median of Hegenberger Road.

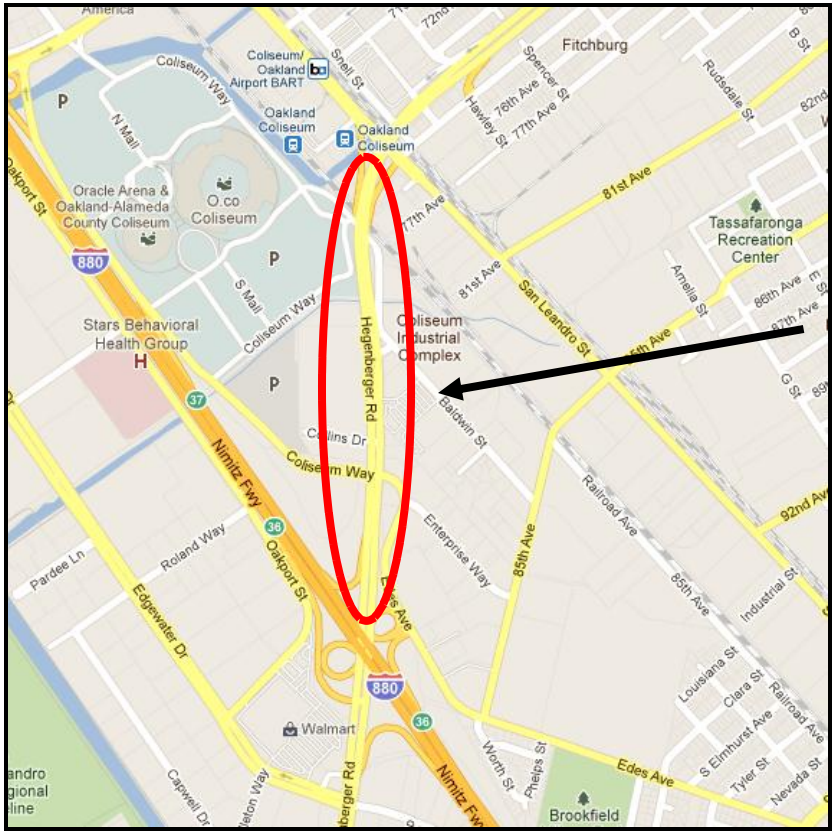

General work hours are 7 am to 7 pm Monday through Saturday.

However, some work will be performed at night between 9 pm and 5 am Monday through Saturday.

As part of the continued work, the public should be aware of the following impacts:

- Lane reconfigurations, lane closures and shifting of traffic
- Temporary concrete barrier installation
- Pedestrian and bicycle detours
- Noise and vibration from deep drilling and jackhammering
- Dust from excavating and off-hauling materials

Noise, dust and vibration levels will be monitored and all efforts will be taken to minimize these and other disruptions to the community. Stormwater pollution prevention plans are also in place to mitigate the project's environmental impacts. Please watch for notices regarding future construction activities and signs with safety information. We appreciate your patience and cooperation during this work.

**Construction Work
Impact Zone**

Work Area: Hegenberger Road
between San Leandro Street and
Interstate 880
