Construction Notification #29

Nighttime Closure of Southbound Hegenberger Road from Hawley Street to Baldwin Street

July 2012

The Oakland Airport Connector (OAC) project is under construction along Hegenberger Road between San Leandro Street and Baldwin Street. The construction process requires the nighttime closure of southbound Hegenberger Road from Hawley Street to Baldwin Street to install materials above the southbound lanes of traffic.

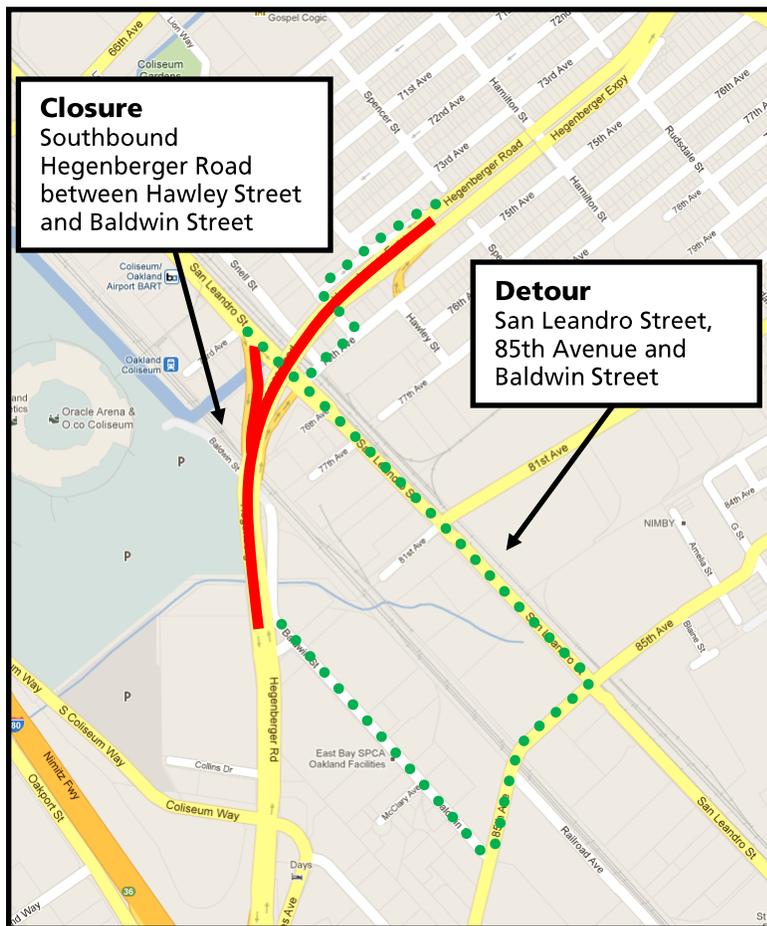

The public should be aware of the following construction impacts:

- Nighttime closure of southbound Hegenberger Road: Vehicles travelling south will be detoured via Hawley Street, San Leandro Street, 85th Avenue and Baldwin Street to access locations south on Hegenberger Road (see exhibit on the back of this page).
- Lane reconfigurations, lane closures and shifting of traffic on Hegenberger Road, Hawley Street and San Leandro Street near the Coliseum/Oakland Airport BART Station
- Construction-related noise, dust and vibration near the intersection of Hegenberger Road and Baldwin Street

Southbound Hegenberger Road will be closed for one night from 9 pm to 5 am in mid-July and again in mid-August. General work hours are 7 am to 7 pm, Monday through Saturday.

Noise, dust and vibration levels will be monitored and all efforts will be taken to minimize these and other disruptions to the community. Stormwater pollution prevention plans are also in place to mitigate the project's environmental impacts. Please watch for notices regarding future construction activities and signs with safety information.

We appreciate your patience and cooperation during this work.
