Construction Notification #32 *Nighttime Closures of Southbound Hegenberger Road at Coliseum Way/Edes Avenue and Interstate 880 On-Ramps*

September 2012

The Oakland Airport Connector (OAC) project is under construction along Hegenberger Road between Coliseum Way/Edes Avenue and Edgewater Drive/Hegenberger Loop. The construction process requires the nighttime closure of southbound Hegenberger Road to install materials above the southbound lanes of traffic.

The public should be aware of the following construction impacts:

- Nighttime closures of southbound Hegenberger Road and Interstate 880 on-ramps: Vehicles travelling south on Hegenberger Road will be detoured via Coliseum Way or Edes Avenue to access Interstate 880 and locations south on Hegenberger Road (see the exhibit on the back of this page).
- Temporary lane reconfigurations, lane closures and shifting of traffic on Hegenberger Road at the intersection of Coliseum Way and Edes Avenue
- Vehicle traffic on northbound Hegenberger Road is not affected.

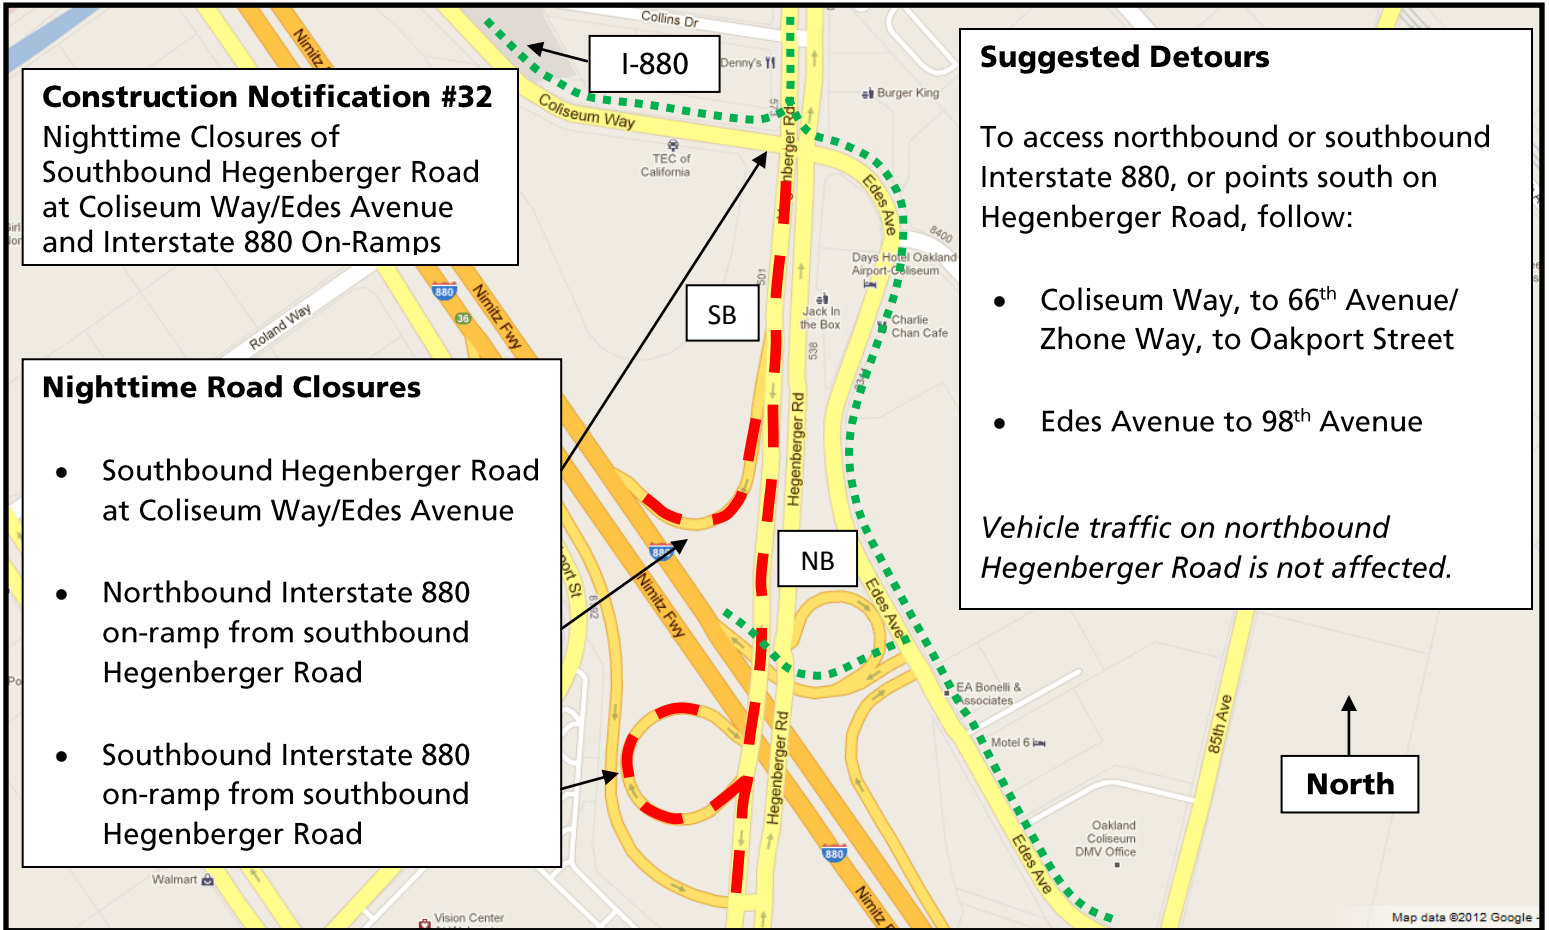

Southbound Hegenberger Road and the nearby Interstate 880 on-ramps will be closed intermittently on several nights throughout fall 2012 from 9 pm to 5 am. General work hours are 7 am to 7 pm, Monday through Saturday.

Noise, dust and vibration levels will be monitored and all efforts will be taken to minimize these and other disruptions to the community. Stormwater pollution prevention plans are also in place to mitigate the project's environmental impacts. Please watch for notices regarding future construction activities and signs with safety information.

We appreciate your patience and cooperation during this work.
