Construction Notification #33 *Nighttime Closures of Southbound Hegenberger Road at Southbound Interstate 880 Off-Ramp*

September 2012

The Oakland Airport Connector (OAC) project is under construction along Hegenberger Road between the southbound Interstate 880 off-ramp and Edgewater Drive/Hegenberger Loop. The construction process requires the nighttime closure of southbound Hegenberger Road to install materials above the southbound lanes of traffic.

Southbound Hegenberger Road will be closed between the southbound Interstate 880 off-ramp and Edgewater Drive/Hegenberger Loop intermittently on several nights throughout 2012 from 9 pm to 5 am. General work hours are 7 am to 7 pm, Monday through Saturday.

The public should be aware of the following construction impacts:

- Nighttime road closures: Vehicles travelling south on Hegenberger Road, and exiting southbound Interstate 880 at Hegenberger Road (right turn only), will be detoured via Edes Avenue and 98th Avenue to access locations south on Hegenberger Road, including Oakland International Airport. Vehicle traffic on northbound Hegenberger Road is not affected. (See the exhibit on the back of this page.)
- Temporary lane reconfigurations, lane closures and shifting of traffic on southbound Hegenberger Road between Coliseum Way/Edes Avenue and Edgewater Drive/Hegenberger Loop

Noise, dust and vibration levels will be monitored and all efforts will be taken to minimize these and other disruptions to the community. Stormwater pollution prevention plans are also in place to mitigate the project's environmental impacts. Please watch for detour signs and other notices regarding future construction activities and safety information.

We appreciate your patience and cooperation during this work.
