## Oakland Airport Connector

### Construction Details

#### Summary of Activities

Nighttime road closures to install the OAC steel guideway along Interstate 880 at Hegenberger Road.

#### Start Date

March 2013

#### Estimated Duration

- Nighttime road closures intermittently throughout spring 2013
- General construction through winter 2013
- Start of service in fall 2014

#### Impacts

- Nighttime closures of northbound Interstate 880 at Hegenberger Road and nearby on-ramps
- Temporary lane reconfigurations, lane closures and shifting of traffic

### General Work Hours

#### Road Closures

1 am to 6 am

Sundays

#### Ramp and Lane Closures

11 pm to 6 am

Monday through Saturday

# Construction Notification #36

## Guideway Installation and Northbound Interstate 880 Highway Closures at Hegenberger Road

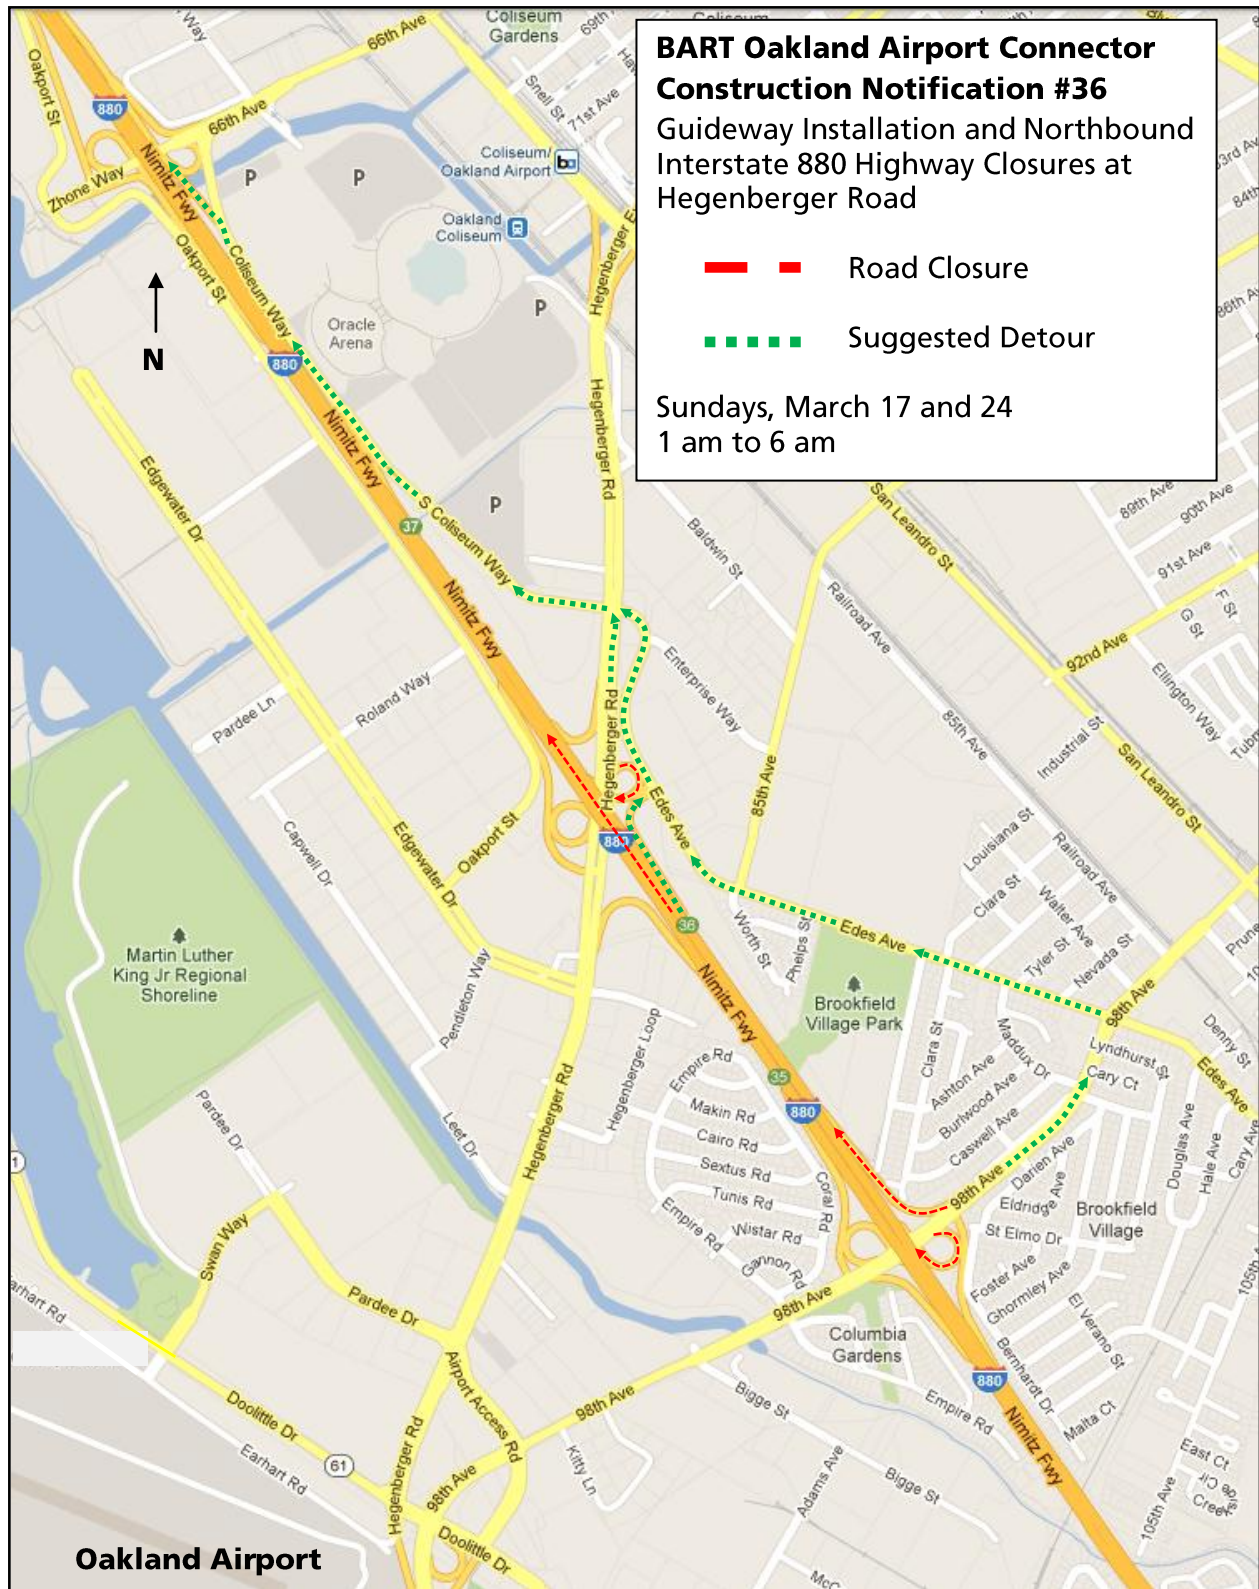

### March 2013

The Oakland Airport Connector (OAC) project is under construction along Interstate 880 at Hegenberger Road. In 2011 and 2012 the project constructed the system's concrete foundations and columns in the area. The construction process now requires several nighttime closures of Interstate 880 at Hegenberger Road and nearby on-ramps to install the system's steel guideway above traffic.

Please note the following impacts during construction:

- **Sundays, March 17 and March 24, from 1 am to 6 am: Northbound Interstate 880 at Hegenberger Road, the northbound Hegenberger Road on-ramp and the 98<sup>th</sup> Avenue on-ramps will be closed.**
- **Southbound Interstate 880 at Hegenberger Road will be closed, on two separate occasions in April 2013, Sundays from 1:30 am to 5:30 am.**
- **Interstate 880 on- and off-ramps at Hegenberger Road will be closed, on separate occasions, intermittently throughout March and April 2013, Monday through Saturday from 11 pm to 6 am.**

See the exhibit on the back of this page for a map of the impacted areas. Please follow all posted detour signs and other notices regarding construction activities and safety information. We appreciate your patience and cooperation.
