- (6) Any reference to one gender in this Agreement shall also mean reference to the other gender.

1 (B) Scope of Agreement

The geographic area covered by this Agreement is that portion of the State of California above the northern boundary of Kern County, the northern boundary of San Luis Obispo County and the westerly boundaries of Inyo and Mono Counties.

This Agreement covers and applies to all work of the Employer falling within the established jurisdiction of the Union, including, but not limited to, building construction, heavy, highway and engineering construction and the performance of work in the classifications listed in Section 4, and for which the Employer undertakes responsibility in connection with any job. All such work shall be performed first, by utilizing owned equipment of the Employer, then of the subcontractor, or Owner/Operator in accordance with the provisions of this Agreement; provided, however, such work is to be performed using identical equipment owned by the employer. Provided further, that where a bona fide job requirement precludes utilization of the employers owned equipment, such work may be subcontracted. A bona fide job requirement shall include but not be limited to:

- WBE/MBE/DBE utilization.
- Conditions which will result in excess wear and tear on owned equipment.
- Prior contractual agreement committal to subcontractor where at time of bid employers equipment was anticipated to be fully used.
- Other Federal, State, County or City statutes placing requirement on the employers which can only be met by subcontracting or utilization of Owner/Operators.

This equipment utilization shall be limited to the geographic area normally serviced by each individual employers' permanent yard, where such equipment is assigned by the employer.

This provision is not intended to apply on a day by day basis but is intended to preclude a pattern of utilizing subcontractors or Owner/Operators in lieu of utilizing owned equipment. This provision is not intended to preclude subcontracting to subcontractors or Owner/Operators signatory to a Teamster Agreement.

It is understood that the intention of this Section 1B is to ensure maximum utilization of equipment owned by the individual employer and provide maximum employment opportunity for those employees of the individual employer signatory hereto.

No supervisory personnel shall be allowed to operate any mechanical equipment on work covered by this Agreement. No supervisory personnel shall perform any other work covered by this Agreement which is regularly assigned to an Employee on a full time basis.

Qualified employees that refuse a work assignment shall have no standing for any claims in this section; and the Employer is free to assign the work under the terms of this Agreement.

1 (C) Additional Employers

If subsequent to the date of execution of this Agreement an employer becomes a member of the Association, and authorizes the Association to represent them in collective bargaining with the Committee, said Employer shall become covered by the terms and conditions of this Agreement provided that said Employer has no existing dispute under any other agreement with a union, and provided further that the terms and conditions of this Agreement shall not replace a more favorable agreement then in effect between the Employer and a union unless agreed to by the Employer and the Union.

1 (D) Other Agreements

The Committee agrees that in the event the Committee or any Union should enter into an agreement with any employer, with respect to work covered by this Agreement, the terms and conditions of which differ from this Agreement, any Employer engaging in work of the same

type and in the same geographic area as that covered by such agreement shall be entitled to become party to such agreement.

The Committee further agrees that should any Union enter into a different agreement with respect to work covered by this Agreement or a modification to this Agreement such other agreement or modification shall be subject to prior approval of the Committee.

1 (E) Union Security

Each Employee covered by this Agreement who is member of a Union designated in Section 1(A)3 on the date of execution of this Agreement, or the effective date of this Agreement, whichever is later, shall as a condition of employment remain a member in good standing. Any present employee working within the scope of this Agreement who is not a member of one of the aforesaid Unions, and any Employee working within the scope of this Agreement hired hereafter shall become and remain a member in good standing in the Union in the locality of the Employment Office from which he was dispatched within eight (8) days following the commencement of his employment, the effective date of this Agreement or the date of execution of this Agreement, whichever is later.

Provided, however, that any employee, including an owner-operator who has an employer-employee relationship with an Employer who is employed on work other than work to be done at the site of construction, alteration, painting or repair of a building, structure, road or other work, and who is not a member of a Union as of the execution date of this Agreement, shall as a condition of continued employment within 31 days after hire or the execution of this Agreement, whichever is later, become and remain a member in good standing, subject to the provisions of the proviso to Section 8(a)(3) of the National Labor Relations Act.

The employer shall be required to discharge any employee pursuant to this section within five (5) days after receipt of written notice by certified mail that said employee has failed to become or remain a member in good standing in the Union.

Section 2 Bargaining Representatives

2 (A) Committee's Recognition of Collective Bargaining Representatives of Employer

The Committee recognizes the Association as the collective bargaining representative for all its members who have authorized the Association to represent them in collective bargaining with the Committee, with respect to highway, general building and the heavy construction industry in the territory subject to this Agreement as of the effective date of this Agreement as well as for all persons or entities becoming members of said Association pursuant to the provisions of Section 1C.

2 (B) Employer's Recognition of Committee as Bargaining Agent

The Association and the Employers covered hereby recognize and acknowledge the Committee as the collective bargaining representative of the Employees working under the scope of this Agreement as set forth in Section 1, Paragraph B.

2 (C) Authorized Agents

regulations and safety requirements limit the application of this provision, and may not interfere with the progress of the operation.

(2) Where stewards are utilized, the Employer shall recognize them.

2 (D) Liability of the Parties

It is mutually understood and agreed that neither the Association, any Employer, the Committee, nor any Union shall be liable for damages caused by the acts or conduct of any individual or group of individuals who are acting or conducting themselves in violation of the terms of this Agreement without authority of the respective party, providing that such action or conduct has not been specifically authorized, participated in, fomented or condoned, by the Association, the Employer, the Committee or the Union, as the case may be.

In the event of any unauthorized violation of the terms of this Agreement, responsible and authorized representatives of the Committee, Union, the Association, or the Employer, as the case may be, shall promptly take such affirmative action as is within their power to correct and terminate such violation for the purpose of bringing such unauthorized persons into compliance with the terms of this Agreement. Such individuals acting or conducting themselves in violation of the terms of this Agreement shall be subject to discipline, up to and including discharge.

2 (E) Employer's Membership

This Agreement is made for and on behalf of, and shall be binding upon, all persons, firms or corporations who at the time of execution of this Agreement have given or subsequently give bargaining authorization to the Employer as defined in Section 2A.

2 (F) Agreement Binding Upon Parties

This Agreement shall be binding upon the heirs, executors, administrators, successors, purchasers, lessees and assigns of the parties hereto.

The Employer shall give notice of the existence of this agreement to any purchaser, successor, lessee or assignee of the operation covered by this Agreement or any part thereof. Such notice shall be in writing with a copy to the affected Union and the Committee, at the time the seller, transferor, or lesser executes a contract or transaction as herein described.

Section 3 Procedures Governing Pre-Job Conference, Mobility, Hiring & Employment

3 (A) Non-Discrimination

It is mutually agreed by the Employer and the Union to comply fully with all of the provisions of Title 7 of the Civil Rights Acts of 1964, Presidential Executive Order No. 11246, and the California Fair Employment Practices Act, the Age Discrimination in Employment Act of 1967 (as amended), Rehabilitation Act of 1973, Vietnam Era Veterans Readjustment Assistance Act of 1972, Americans with Disabilities Act of 1990, and the Title II of the Genetic Information Nondiscrimination Act of 2008 to the end that no person shall, on the grounds of age, sex, race, color, national origin, handicap, ancestry, genetics, disability or Vietnam era veteran status be excluded from participation in, be denied the benefits of, or

otherwise subjected to discrimination by not having full access to the contents of this Agreement.

In the event the Union is unable to refer applicants for employment to an individual Employer in sufficient number, or sufficient type, from minority groups and females represented within the local area as may be necessary to enable the individual Employer to fully comply with minority and female hiring requirements imposed by the individual Employer's construction contract with any federal, state or governmental body, commission or agency, or to enable the individual Employer to fully comply with all Federal, State or local laws, Presidential Executive Order, regulations, rules, directives or orders which cover minority and female hiring and which are applicable to the individual Employer, then in any such event the individual Employer shall be free to directly recruit from any source such number of minority and female applicants acceptable to the individual Employer as may be necessary to satisfy the individual Employer's needs to effect such compliance.

It is understood, the individual Employer shall submit to the Union, in writing, any such request for minority or female applicants for employment, together with a copy of the order, directive, rules or regulations pursuant to any such Presidential Executive Order, Federal, State or local laws; the construction project number; and a copy of the compliance order.

3 (B) Pre-Job Conference

A pre-job conference shall be required only on jobs of \$1,000,000 or more. If a pre-job conference is held with any other craft or crafts, the Union shall be notified thereof and be provided an opportunity to attend said conference.

On work performed under emergency contracts for a governmental agency, the Employer shall give notice of the commencement of the job to the Union as soon as possible.

- (2) If a pre-job conference is not held subsequent to a request therefore or if notice is not given to the Union pursuant to the provisions of Section 3(B)1, the Employer shall be prohibited from utilizing the provisions of Section 3(C) and shall be required to obtain all employees from the employment office of the Union in the locality of the job.

- (2) The Employment Office shall furnish satisfactory, properly licensed, and competent Employees in accordance with the provisions of this section within forty-eight (48) hours after request for said Employees. In the event such Employees cannot be or are not furnished within such period, the Employer may hire any individual. The Employer shall arrange for a dispatch to be obtained for individuals so hired from the Employment Office of the Union within the locality within twenty-four (24) hours of the commencement of such employment. Such dispatch shall, upon request, be issued to the Employee.

3 (F) Non-Discriminatory Hiring Procedures

- (1) **Employment Office.** The Union shall maintain appropriate registration facilities at each Employment Office for applicants to register for employment.

The period during which applicants will be accepted and for which they remain valid may be fixed by the Employment Office. Branch offices of each Employment Office may be operated with separate registration facilities. The Union shall provide the Association with a list of such branch offices, their addresses and the hours during which they are open. The manager or other designated agent of the Association shall have the right to inspect Employment Office records during hours which the office is open for registration. The Local Union may establish reasonable Hiring Hall rules that will not conflict with other provisions of this Section 3.

- (2) **Order of Dispatch.** Subject to the provisions hereinafter set forth, registrants shall be dispatched by the Employment Office in the following order:
- (a) "A" list registrants meeting the specifications stated by the Employer at the time of his requisition shall be dispatched in the order of registration on the list.
 - (b) In the event no "A" list registrants are available for dispatch, "B" list registrants meeting the specifications stated by the Employer at the time of his requisition shall be dispatched in the order of registration on the list.
 - (c) In the event no "A" or "B" list registrants are available for dispatch, "C" list registrants meeting the specifications stated by the Employer at the time of his requisition shall be dispatched in the order of registration on the list.
 - (d) If an Employer requests in writing a particular registrant by name who has been employed by the Employer at any time during the twelve (12) month period immediately preceding such request and such registrant has established "A" list preference in accordance with Section 3G, he shall be dispatched to such Employer regardless of his position on the list.

Double Shift: On double shifts, the Employer shall employ for the first shift one driver for each piece of equipment selected as provided in Section 3F(2) and for the second shift only drivers obtained through the Employment Office of the Union in the locality where the jobsite operation is situated, if available.

Three Shifts: On three shifts, the Employer shall employ for the first shift one driver for each piece of equipment selected as provided in Section 3F(2) and for the second and third shifts only drivers obtained through the Employment Office of the Union in the locality where the jobsite operation is situated, if available.

In addition to the above, the following procedure shall be applicable to the operation of the Employment Office of any Union which elects to adopt said procedure:

An Employer may call for any "A" list registrant by name, and said registrant shall be dispatched without reference to his order of registration provided that said registrant has at all times during the five (5) years immediately preceding the Employer's call been registered on the "A" list of the Employment Office in the locality or would have been eligible to so register had he not been employed under the scope of this Agreement. The provisions of this subparagraph shall not operate to increase the number of individuals who may be brought into a locality by an Employer.

3 (G) Classification of Registrants

- (1) **"A" list registrants:** An individual who has been employed, or trained by the NCTAT, pursuant to the terms of this Agreement for two hundred and forty (240) hours or more within the locality of the Employment Office during the twelve month period preceding his registration date, shall be entitled to register on the "A" list provided he registers within thirty (30) days after termination of his most recent employment by an Employer party to this Agreement. NCTAT student eligibility shall apply in the locality where the student is registered with the Employment Office. If the registrant fails to register within the period specified, he shall not be entitled to "A" list registration. "A" list registrants upon losing 240 hour requirement shall be allowed to continue "A" list registration, provided such registrants sign each and every month commencing with the month during which eligibility based on the 240 hour requirement ended.

For purposes of this subsection an individual shall be deemed to have been employed 40 hours during any week for which he receives disability insurance benefits or worker's compensation benefits.

An employee of any Union who as part of his regular job duties administers this collective bargaining agreement shall be deemed to be working in the construction industry for purposes of establishing eligibility for "A" list registration.

- (2) **"B" list registrants:** An individual who has been available for employment or employed pursuant to the terms of this Agreement in the geographic area covered by this Agreement for one (1) year or more next preceding his registration shall be entitled to register on the "B" list, provided he is not otherwise eligible to register on the "A" list.
- (3) **"C" list registrants:** An individual who has been available for employment or employed pursuant to the terms of this Agreement in the geographic area covered by this Agreement for less than one (1) year next preceding his registration shall be entitled to register on the "C" list.
- (4) **"Trainee" list registrants:** Refer to Section 4, Trainee Classification.

3 (H) Non-Discrimination Hiring Hall Operation

The Union shall operate its Employment Offices without discrimination in favor of or against a registrant by reason of his membership or non-membership in the Union. Registration shall not be dependent upon membership in any Union. Neither the locality preference nor the area preference entitling registration on the "A" list, "B" list, "C" list or the Trainee list, shall have any connection or relation to membership in the Union.

A registrant aggrieved by the operation of an Employment Office of the Union shall submit his grievance to a Board of Adjustment created pursuant to Section 10 of this Agreement. The submission must be made in writing to the Association and to the Union operating the Employment Office within ten (10) days after the occurrence of the grievance. The decision of the Board of Adjustment shall be final and binding upon the registrant and upon the Union operating the Employment Office.

The provisions of this Agreement relating to the functioning of Employment Offices and registration procedures shall be posted by Employers and by each union in places where notices to Employees and registrants for employment are customarily posted.

3 (I) Reporting to Job

Upon being dispatched, the registrant shall proceed to the job at once. When a call is made to an Employment Office for men to report to work on the day of request, a reasonable time shall be allowed for men traveling from the Employment Office to the job-site, as agreed by the Union. A registrant who fails to report for work when dispatched on the shift to which dispatched, or within the agreed time if dispatched to work on the day of request, without good cause therefore shall be removed from the list and shall not be eligible for registration or dispatch for seven (7) days thereafter. Where a registrant is requested by the Employer to be dispatched on the day of the request and the registrant does report for work that same day, he shall be paid for his full shift if he reports during the first half of the shift and works the balance of this shift, or for the half shift if he reports during the second half of the shift.

3 (J) Rejection of Registrants

The Employer may reject any Employee or registrant for employment dispatched by an Employment Office of the Union, provided, however, that any such employee or registrant reporting for work at the agreed time and designated place and rejected by the Employer, shall be entitled to show-up time in the amount provided in Section 5(H) of this Agreement. A registrant rejected for one of the following reasons shall not be entitled to receive show-up time.

- (1) Reporting for work in an unfit condition.
- (2) Discharge for cause by the Employer within the twelve (12) months next preceding his reporting time.
- (3) Failure to report at the time and place set forth on his dispatch slip.
- (4) Failure to have the experience specified in the Employer's request and/or the proper license required to operate the equipment for which the applicant has been ordered.

3 (K) Doctrine of Fairness

The Employer will endeavor to treat each employee equally with respect to the administration of this agreement. The Union and the Employer will cooperate to ensure that favoritism of employees is discouraged. It is the expressed goal of both the Union and the Employer to establish and maintain long term quality employees of the Employer. The Employer shall be aware of an employee's longevity for the purpose of layoff and recall. Employees shall not be laid off or recalled solely on the basis of longevity.

Any grievance filed under the Doctrine of Fairness shall first be referred to Section 10 (E) Partnering to be determined if it should be referred to the Board of Adjustment.

3 (L) Callback After Layoff

An Employee laid off due to inclement weather or equipment break- down not in excess of thirty (30) days, shall be recalled to employment on the project from which he was laid off before the Employer calls the Employment Office in the locality for new registrants.

An Employee laid off due to a reduction in force shall be given a lay-off slip with a copy sent on the same date to the Union, and may be recalled by the Employer or may be re-dispatched by the Employment Office to employment on the project from which he was laid off regardless of his position on the registration list. For the purpose of this section only, an Employee so re-dispatched shall not be considered as a new registrant for employment under Section 3(J) if re-dispatched to the classification from which he was laid off.

Except as otherwise mutually agreed by the Union in the Locality, said Employees shall be recalled through the Employment Office in the locality.

An Employee who fails to report for work within forty-eight (48) hours in response to a call-back by his Employer may be regarded by said Employer as having quit his employment.

3 (M) Return After Injury

Whenever an Employee who has been off work as a result of a work connected injury or illness is released by his doctor to return to work, his Employer shall return the Employee to his former job if in operation or to the first available job for which he is qualified.

Whenever an Employee who has been off work as a result of a non-work connected illness or injury is released by his doctor to return to work, the Employer shall either return the Employee to his former job or place him on the first available job for which he is qualified. The Employee thereby displaced may be terminated without violation of this Agreement. The terminated Employee upon re-registration within seventy-two (72) hours excluding Saturdays, Sundays and holidays after termination shall be reinstated to the position on the registration list occupied by him at the time of his previous dispatch.

3 (N) Discharge

The Employer shall be the judge of the qualification of all of his Employees and may on such grounds, discharge any of them.

No Employee shall be discharged or suspended without just cause. In the event of discharge or suspension without just cause, the Employee may be reinstated with payment for time lost.

If an Employee is given a warning notice rather than a discharge or suspension, such warning notice shall be in writing. Warning letters shall be non-grievable but considered automatically protested. The written warning notice to be effective shall be served upon the Employee and the Union in the locality within ten (10) days after the occurrence with respect to which the notice is given. The warning notice shall not remain in effect for a period of more than twelve (12) months from its date of issuance. A written notice of discharge or suspension shall specify the reason for discharge or suspension and shall be served upon the Employee with a copy to the Union in the locality by certified mail or FAX within forty-eight (48) hours, excluding Saturdays, Sundays and holidays, after the discharge or suspension occurs. Discharges or suspensions to be effective must occur not more than ten (10) days after the incident providing the basis for the discharge or suspension.

Except as otherwise provided in Supplement #3, the first five (5) working days of employment of any Employee shall be a probationary period during which time any termination will not be challenged.

Meal Period. An Employee shall be granted a lunch period of one-half (½) hour or one (1) hour during the period starting one-half (½) hour before the mid-point of the shift and ending one (1) hour after the mid-point of the shift.

Whenever an Employee is not granted a lunch period within the time prescribed above, he shall be paid one-half (½) hour or one (1) hour at the overtime rate of pay for the lunch period. Such penalty shall be separate and distinct from any overtime payment. If the lunch period is one (1) hour, the penalty to be applied is one (1) hour. It is agreed that the Employee is to be given a lunch period.

The length of the lunch period is to be posted and can only be changed by mutual agreement.

Second (2nd) Meal Period. No Employee shall be required to work continuously for more than ten (10) hours per workday without the Individual Employer providing the Employee with an uninterrupted second (2nd) thirty (30) minute meal period.

However, if an Employee works over ten (10) hours, the Individual Employer and Employee may mutually agree to waive the Employee's entitled second (2nd) meal period so long as the first (1st) meal period was taken and the Employee works not more than a total of twelve (12) hours.

Should any provision of California State Labor Code Section 512 be amended during the term of this Agreement, the parties agree to meet to address those changes in accordance with Section 8H (General Savings Clause) of this Agreement.

Rest Periods. As provided by the State of California Industrial Welfare Commission Order No. 16-2001 covering Construction operations, Employees are authorized and shall be permitted to take a total of ten (10) minutes during each four (4) hour segment of their assigned work shift for a rest period.

There shall be no formal organized rest periods during working hours and as far as practicable the break will be taken as near to the middle of each four (4) hour work segment as possible. Rest periods shall be scheduled in a manner so as not to interfere with workflow or continuous operations and Employees shall coordinate the timing of each ten (10) minute rest

break with their supervisors and fellow employees to assure the continuity of work. Employees shall be required to remain in their respective work area, or to take their rest period in a specific area designated by the Individual Employer.

It is understood that the Employee will take his appropriate rest period unless the Individual Employer specifically directs the Employee not to take this rest break due to operational requirements. Employees are required to notify their supervisor whenever they are unable to take their state-mandated rest periods.

If an Individual Employer fails to authorize and permit an Employee to take daily rest periods as provided herein, the Employee shall be paid a penalty wage payment equal to one (1) hour at his/her applicable hourly wage rate excluding fringe benefits for missed rest periods that day regardless of the number of missed rest periods.

All disputes concerning meals and/or rest periods are subject to the Grievance Procedures provided for in Section 10A. Decisions resolving disputes arising out of the Grievance Procedures shall be final and binding upon both parties.

The amount assessed by the employer and the terms of payment shall be subject to the grievance procedure.

Section 6 Subcontracting

- A. A subcontractor is defined as any person, firm or corporation who agrees with the Association, or with an Employer, or with a subcontractor of an Employer, to perform any part or portion of the construction work covered by this Agreement or by the Prime Contract, including the operation of equipment, performance of labor, installation of materials, and delivery, loading and unloading of materials, other than a supplier who is not performing covered work on the jobsite. A person, firm or other business entity who performs the function of a broker in supplying owner-operators to the Employer is not a subcontractor within the meaning of this provision, unless he otherwise satisfied the above stated requirements. Owner-operators obtained from brokers or others are subcontractors under this provision unless they have an employer-employee relationship with the Employer.

- B. With respect to work performed within the geographical area covered by this Agreement at the site of construction, alteration, painting or repair of a building, structure, road or other work, the following shall apply:

An employer to whom this provision is applicable shall subcontract work covered by this provision only to a person or firm who will agree, with respect to employees hired by him to perform work covered by this Agreement, to comply with all the terms and conditions of this Agreement. The subcontractor shall be considered an Employer on the project where the work is performed irrespective of whether such person or firm is signatory to this Agreement. Owner-operators performing work covered by this Paragraph (B), however, shall be treated in accordance with the conditions contained in Section 7, Owner Operator. This Paragraph (B) shall be applicable to all subcontractors, whether or not owner-operators, with respect to employees hired by them.

- C. (1) The Employer further agrees that when subcontracting work covered by this Agreement which is to be performed within the geographical area covered by this Agreement, but which is not to be performed at the site of the construction, alteration, painting or repair of a building, structure, road or other work, the Employer will encourage and give fair consideration to bids from Union employers and will not exclude Union employers from bidding any such work.
- (2) Due to the changing nature of "off site hauling" the parties will continually monitor the effectiveness of this provision thru Section 10(e) Partnering, of this Agreement.
- D. The Employer will give written notice to the Union of any subcontract involving the performance of work covered by this Agreement within five (5) days of entering into such subcontract and shall specify the name and address of the subcontractor. Any Employer who gives such notice and requires the subcontractor to agree to comply with and observe the provisions of Subsection B hereof with respect to jobsite work shall not be liable for any delinquency by such subcontractor in the payment of any wages, fringes, benefits or contributions, provided herein except as provided hereinafter.

In the event a Local Union questions compliance by a subcontractor with the provisions of this Section, the Union shall so notify the Employer in writing and the Employer shall furnish to the Union within fifteen (15) days a written, itemized record of all pertinent information. Additionally, where itemized payroll records are required for submission to public contracting agencies on behalf of subcontractors, the Employer shall furnish copies of such submission to the Union upon written request.

If thereafter any subcontractor shall become delinquent in the payment or meeting of the obligations set forth above, the Union shall promptly give written notice thereof to the Employer and Subcontractor specifying the nature and amount of such delinquency by such Subcontractor. More than one such notice may be given with respect to delinquencies. If such notice is given, the Employer shall withhold the amount claimed to be delinquent out of any sums due and owing by the Employer to the subcontractor and shall pay and satisfy thereto the amount of such delinquency by such subcontractor as follows:

If such subcontractor does not dispute the existence of amount of such delinquency, the Employer shall forthwith pay the amount of such delinquencies to the person or fund entitled thereto. Any such dispute as to the existence or amount of such delinquency shall be settled by the Union and Subcontractor as provided in Section 10(A) hereof and the Employer shall pay to the person or funds entitled thereto the amount of such delinquency as so determined and costs incurred.

The Employer shall not be liable for any such delinquency occurring more than sixty (60) days prior to the receipt of such written notice from the Union.

- E. In the event that this provision shall be determined to be illegal or void by any tribunal in a final and binding adjudication, or in the event an injunction shall be issued by any tribunal against the enforcement of this provision in whole or in part, either party shall have the right to reopen negotiations for the purpose of reaching agreement upon a substitute provision. If agreement is not reached within sixty (60) days after the reopening, the parties shall have the right to engage in lawful economic action in support of their respective positions.

Section 7 Owner-Operator

- A. Whenever owner-operator is used in this section it means owner-driver only and nothing in this section shall apply to any person or equipment except where the owner of this equipment drives the equipment in the performance of work covered by this Agreement for an Employer. Owner-operators obtained from persons who have no responsibility for the performance of work other than providing the service of owner-operators, or from any other source other than subcontractors as defined in Section 6, shall be included in this section if otherwise covered by the language in this section.
- B. Legal or equitable title to the power equipment and all licenses and permits required by any governmental agency must be in the name of the actual owner-driver.
- C. The Employer expressly reserves the right to control the manner, time, means and details of and by which the owner-operator performs his services, as well as the ends to be accomplished, and shall be the sole judge of the capability of the owner-operator's equipment to perform the work required to be performed and may if the Employer determines that the owner-operator's equipment is not capable of performing the work required to be performed, terminate such owner-operator's services; provided, however, that the owner-operator may file and process a grievance under Section 10(A) hereof on the grounds that the Employer's determination that the owner-operator's equipment is inadequate was a pretext for terminating the owner-operator's services. Failure to work the day or one-half (1/2) day out, as directed, shall terminate the owner-operator's employment and he shall be paid only for actual time worked prior to such failure. The Employer shall not pay for time spent by the owner-operator in repairing, servicing or maintaining his equipment after termination of employment, or before or after his shift or half-shift, as the case may be.
- D. (1) The owner-operator shall be carried on the payroll of the Employer as an Employee, subject to the provisions of Subsection O below, and as such, all the terms and conditions of this Master Agreement and any amendment or amendments thereto shall be applicable to him except as provided elsewhere in this section and except that in the event that it is determined that the services of an owner-operator were terminated without just cause, any payment for time lost shall be limited to the wage and fringe benefit payments provided in this Agreement, and shall not in any event include any payment with respect to the equipment or the loss of use thereof; and

except, further, that the owner-operator shall not be subject to the provisions of Sections 3 and Supplement #3.

- (2) It shall be the obligation of the Employer to notify the employment office in of locality of the work, of the name, Social Security Number and P.U.C. Permit Number of the owner-operator within twenty-four (24) hours after the owner-operator reports for work. Should the Employer fail to provide such notification, the Local Union may take economic action twenty-four (24) hours after receipt by the Employer of written notice from the Local Union of such intention.
- (3) Any Employer who fails to place an owner-operator on the payroll as required by Paragraph D (1) above maybe penalized through the grievance procedure in an amount not to exceed one hundred dollars (\$100) per day for each such violation, such penalty to be paid into the Teamsters Benefit Trust Health and Welfare Trust Fund for Northern California. The Union shall have access to the Employer's payroll and other pertinent records for the drivers involved, upon reasonable request.
- E. No provision of other sections of this Agreement shall be interpreted as requiring payments for the use, maintenance or servicing of the owner-operator's equipment.
- F. Separate checks shall be issued by the Employer for such driver's wages and vacation payment and equipment. The amount of the separate check for such driver's wages shall not reduce the amount actually received for equipment compensation as distinguished from wages, to a level below that provided for in Subsection (J) of this section.
- G. Compensation for the equipment shall be by check for the full amount due, less any agreed advances. A statement of any charges by the Employer shall be issued at the same time.
- H. The owner-operator shall provide and shall have sole responsibility for gasoline, oil, grease, tires, tubes, repairs and any other items necessary to operate his equipment. He shall have complete freedom to purchase any such items at any place where efficient service and satisfactory products can be obtained at the most favorable prices.
- I. There shall be no interest or handling charge on earned money advances prior to the regular pay day.
- J. The provisions of this section have been negotiated and agreed upon by and between the parties for the objects and purposes expressed in Subsection M of this section. The parties have not undertaken to negotiate for the Employees any profit whatsoever for the leasing and rental of the equipment they drive. On the contrary, compensation for the equipment shall be set by Agreement between the Employer and the owner-operator at a level which will not circumvent or defeat the payment of wages, fringes and conditions of any Employee covered by this Master Agreement and which will assure compensation to the owner-operator of not less than the actual cost of operation of such equipment.
- K. There shall be no reductions by reason of the signing of this Agreement where the present basis of payment is more favorable to the owner-operator than the basis provided for herein.
- L. It is further understood and agreed that any arrangements which have heretofore been entered into between employees (owner-operator) either among themselves or with an Employer applicable to owner-operator equipment contrary to the terms hereof shall be dissolved or modified within thirty days after this section becomes effective so that such arrangements shall conform to this Section. In the event that the parties to such an arrangement cannot

agree upon a method of dissolution or modification of such an arrangement to make the same conform to this section, the question of dissolution or modification shall be submitted to the grievance procedure under Section 10(A) hereof.

- M. It is further mutually understood and agreed that the intent of this section is to assure the payment of wages, fringes, and conditions as provided in this Master Agreement and to prohibit the making and carrying out of any plan, scheme or device to circumvent or defeat the payment of wages, fringes, and conditions as provided in this Master Agreement.
- N. It is further agreed that the Employer will not devise or put into operation any scheme, whether herein enumerated or not, to defeat the terms of this section of this Master Agreement, nor shall any owner-operator's arrangement with an Employer be terminated for the purpose of depriving any other employee of employment.

In the event that the Employer has available equipment, the owner-operator may be assigned to operate such equipment on the job during the period of the repair of the owner-operator's equipment and not to exceed forty-eight (48) hours and so long as no Employee is laid off to provide work for such equipment. And the employment office in the locality where the work is to be performed is unable to provide qualified workers.

- O. Owner-Operators shall be placed on the payroll of the Individual Employer and shall receive full fringe benefits from the first hour, provided, however, that any owner-operator who is a member in good standing of the Union (as defined in Section 1.A.(3)), or who has tendered full initiation fees and dues, and who is utilized by an Individual Employer or an employer signatory to a collective bargaining agreement with the Union, may elect not to be placed on the payroll of the Individual Employer, and the Individual Employer shall notify the Union of the option selected. Violation(s) of this subsection shall subject the employer to one (1) days pay plus fringes for each violation to qualified persons on the out of work list in the area where the violation(s) occurs. Each of the parties to this Agreement specifically agrees to join in the defense of any action brought by any person or entity claiming that this subsection is unlawful.
- P. In the event a final determination is made in any litigation involving this Section that any provision thereof is illegal or void, or in the event an injunction is issued prohibiting the enforcement of any provision of this Section, the parties shall promptly enter into lawful negotiations concerning the subject matter of said provision(s). If agreement is not reached within sixty (60) days after negotiations begin, either party shall have the right to engage in lawful economic action in support of its position.
- Q. This Section 7 shall be applicable only to owner-operators performing work to be done on site (i.e. site of construction, alteration, painting or repair of a building, structure, road or other construction work).

Section 8 General Conditions

8 (A) Geographic & Market Conditions

The parties to this Agreement recognize the necessity of assuring the competitive position of the parties within the industry during the term of this Agreement. Consistent with that recognition, the parties will continually monitor the effectiveness of this Agreement relative to specific geographic or market areas and will endeavor, by mutual agreement, to initiate such modifications to the Agreement during its term as may be necessary to assure the work opportunities of the employees and the competitive position of the Employers.

8 (B) Conflicting Contracts

Any oral or written agreement between the Association or an Employer on the one hand and an individual Employee on the other which conflicts or is inconsistent with this Agreement or any supplemental agreements hereto, which dis-establishes or tends to dis-establish the relationship of Employer and Employee, or which establishes a relationship other than that of Employer and Employee, shall forthwith terminate.

No oral or written agreement which conflicts with or is inconsistent with this Agreement, or any agreements supplemental hereto, shall hereafter be entered into by and between the Association or any employer on the one hand and any individual employee performing work within the jurisdiction of the Union.

8 (C) Elimination of Restrictions on Production

Subject to all state and federal rules and regulations governing or applicable to the safety of Employees, place of employment and operation of equipment, no rules, customs or practices shall be permitted that limit production or increase the time required to do any work. There shall be no limitation or restriction of the use of machinery, tools, or other labor saving devices. Employees shall perform their duties in such fashion as to promote efficient operation of the particular duty and of any job as a whole. The Union and the Employer recognize the principle of a fair days pay for a fair days work.

8 (D) Employer Responsibility

The Employer shall be held responsible for the violation of overweight, over width and defective equipment unless the Employee has acted contrary to the instructions of the Employer.

The Employer shall post bail for employees arrested for one of the aforesaid violations. Any Employee forced to spend time in jail or in court in connection with such a violation shall be compensated at his regular hourly rate for time lost and shall be reimbursed for court costs and transportation costs.

Whenever an Employee is subpoenaed as an Employer witness he shall be reimbursed for all time lost and expenses incurred.

An Employee shall not be deemed to have acted contrary to the instructions of his Employer unless so notified in writing within (10) days after the presentation of the citation to the Employer.

8 (F) Garnishments / Wage Assignments

In the event of notice to an Employer of a garnishment or impending garnishment, the Employer may take such disciplinary action as is allowed by applicable federal or state

statutes if the Employee fails to satisfy such garnishment or garnishments. The Employer shall first notify the appropriate Local Union before taking disciplinary action.

8 (G) Records and Itemized Statements

- (3) Upon Request, an Employer shall show an Employee a record of hourly contributions made on the Individual Employee's behalf to the Teamsters Health and Welfare and Pension Plans.

8 (H) General Savings Clause

It is not the intent of the parties hereto to violate any clause, rulings or regulations of any governmental authority or agency having jurisdiction of the subject matter of this Agreement. The parties hereto agree that in the event any provisions of this Agreement are finally held or determined to be illegal or void the remainder of the Agreement shall remain in full force and effect, unless the parts so found to be void are wholly inseparable from the remaining portion of this Agreement.

The parties agree that in the event any provision of this Agreement is held or determined to be illegal or void they will promptly enter into lawful negotiations concerning the subject matter of said provision.

8 (I) Continuous Operation

This Agreement shall not prevent the Association or Employer engaged in such operations from negotiating or making agreements with the Union in the area with respect to projects in the area which require continuous operations and are covered by this Agreement and any existing agreement of such nature shall not be affected hereby. The term "continuous operations" as used in this Section means a job which runs five (5) or more consecutive days per week, two (2) or more shifts per day, starting not later than 8:00 A.M. Monday.

Section 9 Safety and Health

- (A) The parties shall cooperate in carrying out safety measures and practices for accident prevention.
- (B) The Employer shall not require an Employee to operate any vehicle which is not in compliance with the existing State Vehicle Code, Industrial Safety Orders or other applicable statutes in court orders.

The Employer shall maintain a safe and healthy workplace. Employees shall be provided with appropriate personal protective equipment as required by applicable laws, rules and regulations.

The Employer will provide compensation to an employee required to undergo HAZMAT Training as follows:

- (C) Under no circumstances will an Employee be required or assigned to engage in any activity involving a violation of any applicable statute or court order, or in violation of a government regulation relating to safety to person or equipment. An Employee shall immediately or at the end of his shift, report all defects of equipment. Such reports shall be made in sufficient copies to provide the Employee with a copy and one copy shall remain in the cab of the vehicle in a conspicuous place and shall not be removed until such deficiencies are corrected.
- (D) No Employee shall be discharged, suspended or otherwise disciplined for a refusal to work on any equipment not in compliance with existing State Vehicle Code, Industrial Safety Orders, or other applicable statutes or court orders. Any Employee may be discharged, suspended, or otherwise disciplined for knowingly failing to perform work in conformance with the Employer's Safety Code or as required by the State or Federal Safety Orders or other applicable statutes.

Section 10 Dispute / Resolution

10 (A) Grievance Procedure

All disputes arising under this Agreement shall be resolved in accordance with the following procedures:

- (1) An Employee having a dispute shall first attempt to resolve said dispute with his immediate supervisor. If the dispute is not thereby resolved, it shall be referred to the Union in the locality. The Union shall attempt to settle the dispute with the Employer.
- (2) If the Union and the Employer are unable to resolve the dispute, it shall be referred to the Board of Adjustment.
- (3) The Board of Adjustment shall be composed of two (2) members named by the Committee, two (2) members named by the Association and an Impartial Arbitrator. The two (2) members named by the Committee and the two (2) members named by the Association shall be selected by each party from eight (8) member panels previously designated by each party as provided below. The parties shall agree to procedures for selection of the Impartial Arbitrator; provided, however, such Impartial Arbitrator will be bound by the rules and procedures set forth below.

Each party to the contract shall name its eight (8) member panel within sixty (60) days after the signing of this contract. The failure of either party to so name its members shall act to release the other party of its duties under this section until such time as the members are appointed.

Each party may establish its own rules governing the selection and replacement of its panel members; provided, however, that each party must give prior notification in writing to the other of the appointment of new panel members.

-
- (4) The Board of Adjustment shall have an Impartial Arbitrator participate in all of its deliberations. However, the parties by mutual agreement may excuse the Impartial Arbitrator from participation in any case and the Board of Adjustment may then render a decision by majority vote. If such Impartial Arbitrator is not present at such determination of a case by the Board, he shall participate thereafter in any deadlocked case or cases and his decision shall be final and binding. Pending a decision by the Impartial Arbitrator, work shall be continued in accordance with the provisions of this Agreement.
- (5) In addition to any rules or procedures which the parties may adopt, the Board of Adjustment shall be governed by the following provisions:
- (a) No attorneys shall be utilized except if purely legal issues are involved.
 - (b) No briefs shall be submitted nor a transcript made of the hearing except by mutual agreement of the parties.
 - (c) The Arbitrator shall render his decision upon the conclusion of the case at the Board of Adjustment hearing unless the time is extended by mutual agreement of the parties or at the request of the Arbitrator. The Arbitrator shall not render an expanded opinion in any case unless mutually requested by the parties.
 - (d) The parties shall select and utilize Impartial Arbitrators who are willing to abide by the procedures set forth herein. An appropriate list of arbitrators shall be selected by the parties. The parties shall establish procedures for selecting an Individual Arbitrator to hear cases.
- (6) It is understood and agreed by and between the parties that the following classes of disputes are not subject to the provisions of this section and that, except as otherwise provided in this Agreement, each party shall have the right to take such legal and economic action as it may deem proper to resolve said dispute:
- (a) Disputes arising out of a violation of the hiring provisions of Section 3 unless by mutual agreement of the Employer and the Union;
 - (b) Disputes arising out of the failure of an Employer to meet the payroll for Employees covered by this Agreement;
 - (c) Disputes arising because a payroll check issued by an Employer to an Employee is dishonored;
- (7) The failure of the Board of Adjustment to hear a dispute properly before the Board, having been requested to do so by the moving party, or the failure of either party to comply within thirty (30) days with a final decision by the Board of Adjustment or the Arbitrator, as the case may be, shall relieve the other party of the duty to further comply with the provisions of this section. Provided, however, neither a dispute nor final decision under the grievance procedure involving alleged violations of Section 6(B) of this Agreement may be made the subject of economic action.
- (8) Decisions of the Board of Adjustment or an Impartial Arbitrator shall be within the scope and terms of this Agreement and shall be final and binding upon all parties

hereto, provided such decision is specifically limited to the matter submitted and does not amend any provisions of this Agreement.

- (9) The expenses of employing an Impartial Arbitrator including the cost of a court reporter, if required, shall be borne equally by the parties.
- (10) No proceedings hereunder based on any dispute, complaint or grievance herein provided for, shall be recognized unless called to the attention of the Employer and the Union or the Local Union, within forty-five (45) days after the alleged violation was committed. The Board of Adjustment may, by majority vote, for good cause, accept a late submission.

In discharge and suspension cases the Union must submit the grievance within ten (10) days after receiving the written notice thereof, as provided in Section 3(N). Discharge and suspension cases shall be placed on the agenda of the Board of Adjustment which is next scheduled after the submission of the grievance.

- (11) The Board of Adjustment shall establish regular meeting dates and administer grievances filed in conjunction with this section as set forth in the rules and procedures.

All disputes filed with the Board of Adjustment must be submitted to said Board of Adjustment on the official disputes form adopted by the Board of Adjustment.

10 (B) No Cessation of Work

- (1) Subject to the exceptions hereinafter set forth neither the Committee nor any Union will authorize a strike, slow down or work stoppage with respect to any dispute arising out of the terms and conditions of this Agreement.
- (2) Slow downs, work stoppages, strikes and withdrawals of Employees covered by this Agreement in connection with one of the following classes of disputes shall not be a violation of this Agreement.

 - (b) Disputes arising out of the failure of an Employer to meet his payroll for Employees covered by this Agreement.
 - (c) Disputes arising because a payroll check issued by an Employer to an Employee is dishonored.
 - (d) Disputes arising out of the failure of an Employer to make the contributions required by Section 4(I), Section 4(J) or Section 4(K), provided the Employer shall have been given seventy-two (72) hours notice of his delinquency due to his failure to make contributions.
 - (e) Whenever the Union has been excused from further performance of its obligations under Section 10(A).
 - (f) Disputes arising out of Section 7D(3).

- (3) Neither the Association nor any Employer will authorize any lockout, slow down or other work stoppage with respect to any dispute arising out of the terms and conditions of this Agreement.

10 (C) Picket Lines

No Employee covered hereby may be discharged or permanently replaced for refusing to cross a lawful primary picket line sanctioned by Teamsters Joint Council #7. The Union shall approve or disapprove the picket or picketing within twenty-four (24) hours of notification by the Individual Employer, during which period of the time, the Employees covered by this Agreement shall continue to work. This provision shall not apply to a jurisdictional picket line. However, an Employee of an Individual Employer who refuses to report to the job or project of an Individual Employer and perform his work for the Individual Employer when directed to do so by the Union under the provisions of Section 2(D) may be discharged by his Individual Employer.

This clause shall not be interpreted to apply to a picket line which has been determined by a court or Federal Agency of competent jurisdiction to be unlawful.

10 (D) Jurisdictional Disputes

There shall be no cessation of or interference in the work of an Employer by reason of a jurisdictional dispute between the Union and another union. Such disputes shall be settled directly between the International Brotherhood of Teamsters, Chauffeurs, Warehousemen & Helpers of America and the Union involved.

The Employer shall take cognizance of the General Presidents' Agreements covering craft jurisdictional work assignments when assigning work to Union employees. The parties specifically agree it is not their intent to alter the traditional and historical work assignments and practices of the Individual Employer, as they concern the General Presidents' Agreements or a agreed upon successor agreement by the involved Unions.

If agreed by all Northern California Basic Trades and Employer Associations signatory hereto, all jurisdictional disputes between or among building and construction trades unions and individual Employers, parties to this Agreement, shall be settled and adjusted according to the present plan established by the Building and Construction Trades Department or any other plan or method or procedure that may be adopted in the future by the Building and Construction Trades Department, or the involved Unions. Decisions rendered shall be final, binding and conclusive on the individual Employer and Union, parties to this Agreement, with respect to the dispute.

10 (E) Partnering

The Union and the Association recognize the value of Partnering in addressing mutual concerns that arise under the administration of this agreement. Both parties will continue to meet on an ongoing basis to mutually address these concerns as they arise.

The wage rates set forth in Section 4(A) shall be effective as of July 1, 2013.
