District Base Pay Schedule

PURPOSE:

To approve a base pay schedule effective January 1, 2018, in a form prescribed by CalPERS.

DISCUSSION:

The District contracts with the California Public Employees Retirement System (CalPERS) for employee retirement benefits. CalPERS' rules control whether compensation qualifies as reportable to CalPERS for purposes of retirement calculations. For base compensation to be reportable for purposes of retirement calculation, CalPERS requires that the District's pay schedules be formally approved by the Board, including each position title and pay rate, and that they be publicly available (e.g. the District website).

Attachment A is the base pay schedule effective January 1, 2018. It is important to note this table does not make changes to compensation for any District employee. It reflects negotiated salary changes with each union already approved by the Board through its ratification of the Collective Bargaining Agreements (CBA's). The pay for Board-appointees has been approved by the Board. The pay bands for non-represented employees has been approved by the Board with the adoption of the annual budget or notice has been provided by the General Manager to the Board. Staff requests that the Board approve the attached salary schedule.

FISCAL IMPACT:

There is no fiscal impact to the District for this proposed action.

ALTERNATIVES:

To not approve the action. However, failure to do so may result in CalPERS' disqualification of pay as "compensation earnable" for reporting and determination of District employees' retirement benefits.

RECOMMENDATION:

Approve the following motion.

MOTION:

The Board approves the base pay schedule in effect January 1, 2018.

San Francisco Bay Area Rapid Transit District

EMPLOYEE RECRUITMENT AND RELOCATION FOR THE POSITIONS OF CHIEF PROCUREMENT OFFICER, CHIEF PERFORMANCE AND AUDIT OFFICER, AND ASSISTANT GENERAL MANAGER, PERFORMANCE & BUDGET

PURPOSE:

To obtain Board authorization for a national recruitment and relocation agreement to assist the District with filling the positions of Chief Procurement Officer, Chief Performance and Audit Officer, and Assistant General Manager, Performance and Budget.

DISCUSSION:

On March 11, 1993, the Board adopted Resolution 4487, requiring Board approval prior to any recruiting activity to employ a person who is not a current District employee for an annual salary of \$50,000 or more. The resolution also states that the District should confine its recruiting to the State of California, consistent with provisions of the law, and that no relocation or moving expenses would be offered to new employees without prior Board approval.

The Chief Procurement Officer, Chief Performance and Audit Officer, and Assistant General Manager, Performance and Budget are senior management positions that require specialized skills derived from unique managerial/technical experience and education, which are critical to the District's progress in the Procurement, Performance, Audit and Budget departments respectively.

Specifically, the Chief Procurement Officer, under the direction of the Assistant General Manager, Administration, will provide strategic leadership and direction relating to procurement, overseeing the activities and operations of Procurement and Materials Management Department including Contract Administration, Warehousing/Stores, Inventory Control and Purchasing Plans. The Chief Performance and Audit Officer is responsible for serving in a prominent District leadership capacity to continuously monitor, manage and improve business performance across District departments. This position also coordinates internal and external operational and financial audits; provides highly responsible and complex administrative support to the Office of the General Manager and the Assistant General Manager, Performance and Budget. The Assistant General Manager, Performance and Budget is part of the executive team and will be responsible for leading Financial Planning, Budget, Performance and Audit. The incumbent will be accountable for accomplishing goals and objectives and providing strategic direction as it relates to each area under Performance and Budget.

The expertise of a recruiting firm that has a deep familiarity with procurement, performance, audit and budget in a transit environment, as well as with recruiting sources and prospects will constitute a resource beyond that which is available internally. Likewise, the ability to offer relocation assistance in the event that one or more successful candidates are not from the immediate area will enhance the District's competitive posture in these searches.

By adopting this motion, the Board will authorize staff to use an executive search firm for the recruitment. The objective in using a search firm is to increase the candidate pool and identify highly qualified applicants. In each recruitment work plan, every effort is made to locate qualified individuals in California and the San Francisco Bay Area in particular. However, recruitment will not be confined to California. Staff's intent is to enter into a search agreement for each position.

The Board's action will allow for executing a relocation agreement within the parameters of current District practice as provided in Management Procedure 70. This procedure sets a maximum reimbursement for relocation at \$18,000 and it does not allow for reimbursement for loss on sale of residence.

FISCAL IMPACT:

The costs for search firm fees will come from the FY18 and/or FY19 Operating Budget of the Office of Administration. Any subsequent relocation agreement cost will come from the FY18 and/or FY19 Operating Budget of the Office of Administration and Office of Performance and Budget.

Funds will be budgeted in the Office of Administration operating budget (Cost Center 0502420, Account 681300) as follows:

Proposed Funding

FY18 or FY19 (depending on relocation/fill date): \$190,000 (approx, max)

Funds will be budgeted in the Office of Performance and Budget operating budget (Cost Center 1302386, Account 681300) as follows:

Proposed Funding

FY18 or FY19 (depending on relocation/fill date):\$18,000 (approx, max)

Funds will be budgeted in the Office of Performance and Budget operating budget (Cost Center 1101466, Account 681300) as follows:

Proposed Funding

FY18 or FY19 (depending on relocation/fill date): \$18,000

Funding for services in this Fiscal Year are included in the Department's existing operating budget. Funding for subsequent years will be included in the proposed annual operating budget, which is subject to Board approval.

This action is not anticipated to have any Fiscal Impact on unprogrammed District reserves in the current Fiscal Year.

ALTERNATIVES:

Fill the positions using in-house District recruitment resources.

RECOMMENDATION:

Adopt the following motion:

MOTION:

That the General Manager or her designee is authorized, in conformance with established District procedures governing the use of executive search services to identify suitable

Board Approval and Authorization

candidates both inside and outside of California for the positions of Chief Procurement Officer, Chief Performance and Audit Officer, and Assistant General Manager, Performance and Budget. In addition, the General Manager is authorized to enter into a relocation agreement, if necessary, in an amount not to exceed \$18,000 for each position, in accordance with Management Procedure Number 70, New Employee Relocation Expense Reimbursement.

SAN FRANCISCO BAY AREA RAPID TRANSIT DISTRICT

MEMORANDUM

TO: Board of Directors

DATE: March 2, 2018

FROM: General Manager

SUBJECT: FY18 Second Quarter Financial Report

The FY18 Second Quarter Financial Report (October - December 2017) is attached. While the net result for the quarter was \$4.1M favorable to budget, the negative budget variance in passenger trips and fare revenue increased from the first quarter.

Operating Sources

Total Ridership was 3.2% under budget for the second quarter of FY18, compared to 2.4% under budget in the first quarter, and 3.4% lower than ridership in the same period of FY17. Despite reduced budget expectations for FY18, monthly ridership in FY18 is still trending below the lower budget. Second quarter FY18 weekday trips were 2.7% below budget and weekend/holiday trips were 5.3% below budget. Passenger revenue in the second quarter was \$3.6M (2.9%) unfavorable, more than the first quarter negative budget variance of \$1.0M. Rider loss continues to be heavier in the shorter-trip (and thus lower-fare) market, which is why the passenger revenue budget variance continues to be slightly better than trips.

Financial Assistance in the second quarter of FY18 was favorable to budget due to revenue from Sales Tax, Property Tax and Low Carbon Fuel Standard (LCFS) credit sales. Sales Tax, which included a budgeted 2.1% rate of growth over FY17, was \$1.7M (4.9%) favorable to budget for the second quarter and is \$2.9M favorable to budget year-to-date (YTD). Property Tax is \$1.0M favorable to budget, YTD, and up 9.7% compared to one year ago. Second quarter LCFS credit sales exceeded the budget by \$7.7M, with proceeds allocated to the Sustainability program and to operating, increasing Operating to Capital allocations.

Operating Uses

Total Expense for the second quarter was under budget, finishing \$7.1M (3.9%) favorable. Labor and benefits were \$2.8M (2.1%) favorable to budget and non-labor was \$3.4M (6.9%) under budget. Labor was favorable to budget overall. Regular wages and benefits were favorable due mainly to filling only the most critical operating positions. Labor is favorable by 1.4% year-to-date. Non-labor was favorable to budget largely due to timing of Professional & Technical and Purchased Transportation expenses, as well as lower than expected electricity prices. Capital and Other Allocations were greater than budget due to the \$7.7M from LCFS cited above.

The ridership decline is expected to continue into the second half of FY18, with a negative impact on operating sources. BART's focus on filling only critical operating positions has helped manage labor expenses, however, the second half of the year is expected to be more financially challenging due to pressure to increase staff to address service and quality of life issues. The ridership and expense trends may result in an operating deficit by FY18 Year End. Staff is continually monitoring department budgets in order to address potential shortfalls prior to year-end.

●Avg weekday trips for the quarter were 414,093, 2.7% under budget and 2.8% below the same quarter last year. Total trips for the quarter were 3.2% under budget, with weekend and holiday trips under budget 5.3%. Net passenger revenue was 2.9% under budget.

●Parking revenue was \$0.1M favorable due to Daily Non-Reserve and Long Term programs.

●Other operating revenue was \$1.0M favorable mainly due to investment income.

Expense

●Labor (excluding OPEB) was \$2.8M or 2.1% favorable in Q2, primarily due to vacancies. Unfunded OPEB does not accrue at month end but will be included with year end GASB adjustments.

●Power was \$1.3M favorable due to lower than expected electricity prices in the California energy market and timing of a PG&E payment that will be reflected next quarter.

●Other Non Labor \$1.4M favorable due to delayed expenses for Professional & Technical Service fees (\$1.5M).

Financial Assistance and Allocations

●Sales Tax for 2Q grew 4.9% over 2QFY17 and was \$1.7M favorable (2.1% growth budgeted).

●Property Tax, Other Assistance was \$0.9M favorable due to increased property tax and federal and local financial assistance.

●STA was \$2.7M unfavorable due to timing, expected to be near budget at year end.

●Low Carbon Fuel Standard (LCFS) Program revenue was \$7.7M favorable to budget due to the sale of credits generated in prior FYs and high market prices.

●Debt service was \$0.7M favorable due to savings from refunding.

●Capital and Other Allocations were \$8.2M greater than budget primarily due to \$7.7M of increased LCFS revenue (\$3.9M allocated to Sustainability, \$3.9M allocated to Operating Reserves per LCFS Policy).

Net Operating Result

●The Net Operating Result for Q2 was favorable by \$4.1M, due to favorable operating expenses.

Award of Contract No. 01RQ-150 for Construction of Hayward Maintenance Complex Project, Central Warehouse

PURPOSE:

To obtain Board authorization for the General Manager to award Contract No. 01RQ-150 for Construction of Hayward Maintenance Complex Project, Central Warehouse to Clark Construction Group – California, LP.

DISCUSSION:

The Hayward Maintenance Complex Project (HMC) was adopted by the BART Board of Directors on May 26, 2011. The Project will provide expanded and enhanced maintenance complex facilities necessary to support the District's future system demands, including the new BART revenue vehicles and the Silicon Valley Extension Project. The HMC Project consists of the acquisition of and improvements to three parcels on the west side of the existing Hayward Yard. Improvement elements include a new Vehicle Overhaul and Heavy Repair Shop, a new Component Repair Shop, a new Central Warehouse, a new Maintenance and Engineering Shop and Storage Area, as well as new trackwork that provides access to these facilities.

The scope of this Contract consists of construction of the new Central Warehouse. The new Central Warehouse will serve as the central logistical facility for BART, which will help improve the efficiency of BART operations. Contract provisions include incorporation of the District's Project Stabilization Agreement (PSA).

The Contract was advertised on November 29, 2017 in the District's online vendor portal. A total of 84 plan holders downloaded copies of the Contract Documents. A pre-Bid meeting

and site visit were conducted on December 15, 2017, with approximately 50 prospective Bidders attending. A total of 4 Bids were received. The Bids were publicly opened on January 30, 2018. Tabulation of the Bids, including the Engineer's Estimate, is as follows:

BIDDER	LOCATION	TOTAL BID PRICE
Clark Construction Group – California, LP	Irvine, CA	\$49,838,100
S.J. Amoroso Construction Co., Inc.	Redwood Shores, CA	\$52,057,000
Proven Management, Inc.	Oakland, CA	\$54,777,777
USS CAL Builders, Inc.	Stanton, CA	\$59,134,936 *
Engineer's Estimate	N/A	\$57,916,146

* Corrected for arithmetical error, which did not impact bid positions

After review by District staff, the Bid submitted by Clark Construction Group – California, LP was deemed the lowest responsive Bid. Furthermore, a review of this Bidder's license, business experience and financial capabilities has resulted in a determination that the Bidder is responsible. District staff has also determined that the Bidder's Bid of \$49,838,100 is fair and reasonable.

The Bid submitted by Clark Construction Group – California, LP contained minor irregularities. In accordance with provisions of the Contract Documents governing bid evaluation and award, District staff determined that these minor irregularities were immaterial and did not afford an unfair advantage to the Bidder. As a result, District staff determined that it was appropriate to waive these minor irregularities in the bid review.

This Contract was advertised pursuant to the District's Disadvantaged Business Enterprise ("DBE") Program requirements. The Office of Civil Rights reviewed the scope of work for this Contract and determined that there were DBE subcontracting opportunities; therefore, a DBE participation goal of 26% was set for this Contract. The low Bidder, Clark Construction Group – California, LP, committed to subcontracting 27.9% to DBEs. The Office of Civil Rights has determined that Clark Construction Group – California, LP has met the DBE participation goal set for this Contract.

FISCAL IMPACT:

Funding in the amount of \$49,838,100 for the award of Contract No. 01RQ-150 is included in the total budget for FMS# 01RQ000, HMC Program.

The table below lists funding assigned to the referenced project and is included to track funding history against spending authority. Funds needed to meet this request will be expended from the following sources:

Proposed Funding	
F/G 3007 - FTA CA-90-X236	\$19,504,600
F/G 5602 - High Speed Passenger Rail Bond	\$17,250,000
F/G 656K & 653E - VTA	\$19,850,000
F/G 8524 to 8532 - FY12 to FY18 Operating Capital Alloc	\$73,186,377
F/G 881B - Program Income from Cap funds	\$254,640
TOTAL	\$130,045,617

As of February 14, 2018, the total budget for this project is \$130,045,617. BART has expended \$63,351,590 committed \$13,263,599 to-date for other action. This action will commit \$49,838,100 leaving an available fund balance of \$3,592,328 for this project.

The Office of the Controller/Treasurer certifies that funds are currently available to meet this obligation.

This action is not anticipated to have any fiscal impact on unprogrammed District Reserves.

ALTERNATIVES:

The alternatives are to not award the Contract or to rebid the Contract. Not awarding the Contract will inhibit the District from providing the necessary support to future system demands. Rebidding the Contract will delay execution of the work and may not yield lower bid prices, which will potentially result in increased project costs.

RECOMMENDATION:

Adoption of the following motion.

MOTION:

The General Manager is authorized to award Contract No. 01RQ-150 for Construction of the Hayward Maintenance Complex Project, Central Warehouse to Clark Construction Group – California, LP for the total Bid price of \$49,838,100, pursuant to notification to be issued by the General Manager, subject to the District's protest procedures and FTA requirements related to protests.

Procurement of BlackBox Telecommunications System Maintenance Contract

PURPOSE: To authorize the General Manager to execute a 3-year agreement, with two 1-year options, with Blackbox Network Services, to provide Telecommunications Systems Maintenance. This procurement was conducted under the District's authority to utilize the California Department of General Services' California Multiple Award Schedules (CMAS) Contract.

DISCUSSION: This Maintenance Contract will provide parts, material and labor with 24/7 on-site and remote technical service for BART's 6,000 landlines, 64 telecommunications networks, 15 wayside emergency telephone hubs and 911 system. Telecommunications maintenance has been performed under contract since the landline phone system was upgraded in 1993. Upon approval of this contract, the General Manager will have the authority to approve a 3-year agreement with Blackbox Network Services at a cost not to exceed of \$653,507.00, and to exercise up to two one year options with a total 5 years cost not to exceed \$1,100,000.00.

The California Government Code 54205 allows districts such as BART to request that the California Department of General Services make purchases of materials, equipment and supplies, and obtain maintenance for that equipment on its behalf in accordance with Section 10298 of the Public Contract Code. Section 10298 of the Public Contract Code permits the Director of the California Department of General Services to consolidate the needs of its agencies for goods, information technology, and services and establish contracts, master

agreements, multiple award schedules, cooperative agreements, and other types of agreements that leverage the State of California's buying power. The Department of General Services may make its services available, upon agreed terms and conditions, to any District empowered to expend public funds for the acquisition of goods, information technology, or services. Districts may then enter into agreements, without further competitive bidding, with suppliers awarded contracts, master agreements, multiple award schedules, and cooperative agreements by the Department of General Services for such services.

BART Telecommunications Manager, will be responsible for the overall direction and management of the agreement executed under the CMAS authority.

FISCAL IMPACT: In order to provide BART system wide maintenance for Telecommunications services for FY18, and FY19 and FY20, this subject EDD proposes a three year contract at a total cost of \$594,097.02, plus standard authority to add up to 10% contingency for a not-to-exceed total value of \$653,507.00 over the three years (07/01/2017 -07/01/2020).

Funds will be budgeted in the Maintenance and Engineering Department, Operating funds, (Dept 0802851 M & E Financial Administration, Account 680030, Line Item 99WP District-Wide-Telephones) as follows:

Proposed Budget	
FY18	198,032.33
FY19	198,032.33
FY20	198,032.33
Subtotal	\$594,097
10% Contingency	\$59,410
Total	\$653,507

This proposed contract will have no fiscal impact on available un-programmed District reserves.

ALTERNATIVES: The District would need to procure these goods and services by other means requiring a new procurement process.

RECOMMENDATION: Adopt the following motion.

MOTION: The General Manager is authorized to execute a 3-year agreement with Blackbox Network Services to provide Telecommunications Systems Maintenance services and equipment, and at her discretion, to exercise the option to renew for 2 additional 1-year terms for a total not to exceed \$1,100,000.00.

State and Federal Legislative Advocacy Contract Extensions

PURPOSE:

To authorize the General Manager or her designee to execute (i) a change order to Agreement No. 6M7152 with Schott & Associates for State legislative advocacy services, to extend the expiration date from April 1, 2018 to April 1, 2020 for a total cost not to exceed \$287,498.25 and (ii) a change order to Agreement No. 6M7153 with CJ Lakes, LLC for Federal legislative services to extend the expiration date from April 1, 2018 to April 1, 2020 for a total cost not to exceed \$504,000.

DISCUSSION:

The existing agreements with Schott & Associates and CJ Lake, LLC expire on April 1, 2018. The proposed extension for each of the existing agreements is from April 1, 2018 to April 1, 2020. The proposed extension will allow for legislative advocacy continuity as the District executes its State and Federal legislative programs and pursues additional state and federal funding.

Schott & Associates has skillfully and successfully advocated BART's interests before the California State Legislature since 1975. Schott & Associates has agreed to continue working under the terms of Agreement No. 6M7152. The total proposed cost to provide State Legislative Advocacy services for the proposed two year term extension is \$287,498.25.

Under the long-term guidance of Jim Copeland, CJ Lake, LLC has skillfully and successfully advocated BART's interests before the U.S. Congress since 1984. CJ Lake, LLC has agreed to continue working under the terms of Agreement No. 6M7153. The total proposed cost to

provide Federal Legislative Advocacy services for the proposed two year term extension is \$504,000.

The Office of the General Counsel will approve the change orders as to form.

FISCAL IMPACT:

The subject EDD proposes two year contract extensions at a total cost of \$791,498.25 from April 1, 2018 to April 1, 2020.

Funds will be budgeted in the Government and Community Relations Department operating budget (Dept 0604366, Account 681300-Professional and Technical Services) as follows:

Proposed Funding	
FY18*	\$92,487.00
FY19	\$399,435.00
FY20**	\$299, 576.25
TOTAL	\$791,498.25

*FY18 funding is not a full Fiscal Year.
Funding is expected to begin April 1, 2018.

**FY20 funding is not a full Fiscal Year.
Funding is expected to end on April 1, 2020.

Funding for services in this Fiscal Year are included in the Government and Community Relations Department's existing operating budget. Funding for subsequent years will be included in the proposed annual operating budget, which is subject to Board approval.

This action is not anticipated to have any fiscal impact on unprogrammed District reserves in the current Fiscal Year.

ALTERNATIVE:

Not authorize the extensions and allow the two Agreements to expire on April 1, 2018. This would jeopardize established relationships with the State legislature, Federal legislature, Executive Branch decision makers and could diminish the District's prospects for successfully accomplishing its State and Federal legislative program as well as adversely impact the District's ability to secure additional State and Federal funding.

RECOMMENDATION:

Adopt the following motion.

MOTION:

The General Manager or her designee is authorized to execute the following change orders:

- a. a two year extension to Agreement No. 6M7152 with Schott & Associates for State legislative advocacy services to April 1, 2020 for a total cost not to exceed \$287,498.25.
- b. a two year extension to Agreement No. 6M7153 with CJ Lakes, LLC for Federal legislative advocacy services to April 1, 2020 for a total cost not to exceed \$504,000.

MEMORANDUM

TO: Board of Directors **DATE:** March 2, 2018
FROM: General Manager
SUBJECT: **BART to Livermore Extension Project Update – For Information**

Over the next several months, BART staff proposes meeting with the BART Board three times on BART to Livermore (LVX), with the objective of completing the California Environmental Quality Act (CEQA) process and the Board considering actions on LVX.

1. March 8, 2018 (information): Presentation on the technical merits of the LVX proposed project and build alternatives
2. April 12, 2018 (information, tentative): Presentation summarizing LVX public input and presenting the preliminary staff LVX recommendation
3. May/June 2018 (action): Board to consider certifying the LVX Environmental Impact Report (EIR) and taking actions on LVX

On July 31, 2017, BART released the BART to Livermore Extension Project Draft EIR. BART received approximately 500 comments on the Draft EIR. BART staff is preparing a Final EIR which is expected to be released in May 2018.

On February 21, 2018, BART released the BART to Livermore Extension Proposed Project and Build Alternatives Evaluation Report (Evaluation Report). The Evaluation Report compares the benefits and costs of the Proposed Project and build alternatives across several technical metrics and is available on-line at <https://www.bart.gov/about/projects/liv>. BART staff will present key information from the Evaluation Report to the BART Board on March 8, 2018.

The Evaluation Report supplements the information provided in the Draft EIR. The Evaluation Report is not a part of the EIR itself – the public comment period for the EIR has ended, and any stakeholder input received by BART in response to the Evaluation Report will not be considered as comments on the EIR.

BART staff is conducting a public outreach effort to obtain feedback on the Proposed Project and build alternatives. Public open houses were held on February 26 in Oakland and February 27 in Livermore. BART staff will be presenting at the following public meetings:

- March 6, Pleasanton City Council
- March 14, Tri-Valley San Joaquin Valley Regional Rail Authority
- Mar 20, Dublin City Council

In addition, BART staff is providing briefings to community members, stakeholder groups and policymakers.

MEMORANDUM

TO: Board of Directors

DATE: March 2, 2018

FROM: Independent Police Auditor

SUBJECT: BART Citizen Oversight Model Evaluation

Pursuant to Chapter 3-01 of the BART Citizen Oversight Model (Model), the Board of Directors (Board), with input from the BART Police Citizen Review Board (BPCRB), Independent Police Auditor (IPA), BART Police Associations (BPOA and BPMA), complainants, and the public will evaluate the BART Police citizen oversight structure after the first year of implementation to determine whether the need exists to make changes and/or otherwise make adjustments to the system to improve its continued performance. Chapter 3-01 further provides that this evaluation shall in no way be intended to eliminate the BART Police citizen oversight structure.

In order to facilitate the review and evaluation required by the Model, and after significant research and extensive discussion, the Office of the Independent Police Auditor (OIPA) engaged the OIR Group to evaluate the system and generate a report for your consideration. The evaluation commenced in January 2017 and a final report was generated and submitted in June 2017 (with an Addendum in July 2017) including a total of 54 recommendations for improvement. The report was distributed and discussed at a July 18, 2017 Operations, Safety and Workforce Standing Committee meeting and again at Board meetings on August 10, 2017 and February 22, 2018.

OIPA was instructed to return to the Board with a Motion to vote whether to accept and adopt 39 of the 54 recommendations included in the OIR Report to be implemented by OIPA as practical. Attached to this memorandum is a Motion which, if adopted by the Board, will ratify adoption of the numbered recommendations listed in the Motion.

OIPA was also instructed to present the remaining 15 OIR recommendations to the Board for further discussion. OIPA is prepared to respond to your detailed inquiries regarding each of the remaining 15 recommendations, the position of the General Manager (GM), BART Police Department (BPD) Chief Rojas, BPMA, BPCRB, and BPOA as established in advance of your February 22, 2018 meeting, the stated rationale of each entity for its position, OIR Group's rationale for each recommendation, and to discuss and clarify factual and practical considerations.

Responsive to the Board's request to group the remaining 15 recommendations into categories for discussion, OIPA has determined that 6 recommendations can be grouped as in re "Authority," 8 are in re "Reporting," and the last is in re the review of Use of Force incidents.

If you have any questions, please feel free to contact me at (510) 874-7477.
