

Work Plan: No. A.04-02 (Rev. 1) Station Access Improvements Project Support

Scope:

2.0 SCOPE OF WORK

CONSULTANT's Scope of Work is for additional services related to Survey, Cost Estimating, and Constructability Review Services to support the design work for three projects, as follows:

Project #	Name	Final Design Team	Scope		
			Additional Survey	Additional Constructability Review	Independent Cost Estimate
57RR201	Fremont Station Access Improvements	Parsons CHS Consulting		X	X
57RR204	North Berkeley Access Improvements	Studio L'Image	X	X	X
57RR202	Dublin/Pleasanton Access Improvements	WSP Fehr & Peers Merrill Morris		X	X

2.1 Survey Services

Provide additional Survey Services as needed to update design drawings in response to BART Engineering's comments on 65% design documents, including additional field work to take additional elevations and to locate utilities including electrical, water and sewer lines within the work boundaries.

- Project: 57RR204 North Berkeley Access Improvements

2.2 Independent Cost Estimate Services

Prepare Independent Cost Estimates with one round of review/edits each, as follows:

- 57RR204 North Berkeley Access Improvements: at 65% Design and 95% Design
- 57RR201 Fremont Access Improvements: at 65% Design and 95% Design
- 57RR202 Iron Horse Trail Gap Closure: at 95% Design only

2.3 Project Schedule Review Services

Provide reviews of project schedules as follows:

- 57RR204 North Berkeley Access Improvements: at 65% Design and 95% Design
- 57RR201 Fremont Access Improvements: at 65% Design and 95% Design
- 57RR202 Iron Horse Trail Gap Closure: at 95% Design only

Schedules will be prepared by the respective Design Teams.

2.4 Additional Constructability Review Services

Provide additional Constructability Review Services as follows:

- 57RR204 North Berkeley Access Improvements: at 95% Design only
- 57RR201 Fremont Access Improvements: at 65% Design and 95% Design
- 57RR202 Iron Horse Trail Gap Closure: at 95% Design only

For each project and phase, attend one meeting with BART PM and Design Team to discuss comments and recommendations. Design Drawings and Specifications will be prepared by the respective Design Teams.
