

BART Agreement Number: 6M8150
Work Plan No. A.03- Inter Agency Facilitation Supports

Approval Date: 03/29/19

Scope:

Assist VTA and BART management in evaluating the single-bore Z configuration. If it is determined that this configuration is not practical, buildable or affordable, assist VTA and BART reaching agreement on a suitable extension configuration that meets operational and safety concerns and is financially buildable.

Prime: Prescience
