

BART Agreement Number: 6M8176

Approval Date: 10/11/22

Work Plan No. C.01-01 Ad Franchise Technical and Project Management Support

Scope:

CONSULTANT will provide one (1) Assistant Resident Engineer (ARE) available up to full time, plus one (1) Scheduler for approximately five (5) hours per month.

The Assistant Resident Engineer will support advertising infrastructure improvements/modifications, construction of new digital advertising infrastructure, management of technological improvements in media content/data delivery, and general assistance with administration of the BART Advertising Franchise.

Specific duties and responsibilities for the Scheduler will include the following:

- a. Provides scheduling assistance to the Resident Engineer through final project closeout;
- b. Develops project schedules for BART;
- c. Attends project progress and/or claim resolution meetings, if requested by the Resident Engineer;
- d. Reviews and approves Contractor's construction schedules;
- e. Prepares schedule and delay claim estimates due to Contractor or field issues;
- f. Prepares time impact evaluations and assists the Resident Engineer to resolve schedule claims;
- g. Performs other work as assigned by the Resident Engineer and/or the District.
