BALBOA PARK STATION PASSENGER LOADING ZONE DETOURS STARTING 6/24/2021

Dear Customer:

Starting Thursday, June 24, 2021, the Balboa Park Station passenger loading zone will be closed for construction and detours will be in place. The detours will remain in place for approximately two years for the construction of the Balboa Park Upper Yard development project. The project led by the City of San Francisco's Mayor's Office of Housing and Community Development will include construction of 131 units of affordable housing. BART will also build a new transit plaza with an accessible path along Geneva Avenue, and a new passenger loading zone.

During construction, temporary loading zones will be provided as follows (see map).

- **Passenger Loading:** Ocean Avenue for vehicles traveling in both directions
- **Accessible Passenger Loading:** San Jose Avenue southbound at Geneva Avenue
- **Shuttles:** Geneva Avenue eastbound east of San Jose Avenue.

We apologize for this inconvenience and appreciate your patience.

For more information on the project, including construction updates, visit www.balboaparkuy.com.
