

## BART COVID-19 Rail Limited Hours

# SFO Shuttle Emergency Bus Service

During the COVID-19 Emergency, BART has decided to shut down all rail services after 9pm, and open 2 hours later on Saturdays, at 8am. SFO will provide limited replacement bus service. This service may be enhanced and expanded in coming days, but this is our initial offering for the first five (5) days.

Buses will not stop at all BART stations, see the listing below. Please plan your trip accordingly. The service is free, but you may be asked to show your SFO ID badge, tenant employee identification or proof of same-day air travel, such as a boarding pass or luggage tag. Bus will be a large blue 2-door transit bus with "SFO Parking Shuttle" branding.

## DEPARTING SFO

Buses will depart SFO from Courtyard G. From the International Terminal BART entrance, take the elevators down to Level 1 and exit out to the courtyard. If using the Airtrain, exit at International Terminal G, and use the elevators towards the front of Blue Line trains or towards rear of Red Line trains down to Level 1. Wait by the "SFO Ferry Shuttle" sign.
