

BART Agreement Number: 6M8147

Approval Date: 09/28/23

Work Plan No. A.18-01 Design Support for Component Repair Shop Egress Door at Service Canopy

Scope:

The Scope of Work for this Work Plan includes the following:

- a. Review existing drawings and update as required for construction by BART.
- b. Provide technical specifications (Division 2 and up) for construction by BART.
- c. Review existing Engineer's Estimate and provide updated final estimated quantities of materials.
- d. Provide design coordination and support during construction.
- e. Review and respond to Requests for Information (RFIs).
- f. Provide maximum of three (3) field visits per each discipline lead – once at start of construction, once at the end during punch list walkthrough, and once during construction if required.
- g. Provide AutoCAD record drawings after the completion of the construction.
- h. Comply with BART's Quality Assurance and Quality Control (QA/QC) Program.
