

Berkeley-El Cerrito Corridor Access Plan (BECCAP)

Summary of Reference Material and Public Outreach

The BECCAP Team engaged with local agencies, communities, and BART riders in a variety of ways, such as:

- A technical advisory committee made up of affected regional agencies, municipalities and transit providers
- Interviews with community-based organizations and key stakeholders
- Digital open houses and other events for community members and BART riders
- Presentations to boards and commissions
- Meetings with and/or presentations to elected officials

Materials used as a reference for BECCAP are contained in **Table 1** while a summary of public outreach events is contained in **Table 2**.
