

**BART Agreement Number: 6M8147**

**Approval Date: 10/11/23**

**Work Plan No. A.19-01 Next Generation Faregates AFC Engineering submittal review and engineering coordination support**

**Scope:**

Under this Work Plan, PGH Wong Engineering, Inc. will provide DSDC to support the following tasks:

- a) **Design Reviews** - Perform design reviews of Contractor submittals. These services include the consolidation of comments.
- b) **Coordination with Engineering Disciplines** - Coordinate with various BART Engineering groups to integrate the new fare gates with other systems (e.g., mechanical, electrical, network, and SCADA)
- c) **Coordination with Stakeholders** - Coordinate with stakeholder groups to acquire and confirm user requirements
- d) **Attend Project Meetings** - As requested, attend project meetings to report on deliverables status.

It is expected that these tasks will require an average of ten (10) hours per week.

**Prime: PGH Wong Engineering, Inc.**

**Subconsultants: None**

**Total Work Plan Value: \$ 200,800**
