

Opportunity to Serve on Important BART Committee

Let's go.

BART Seeks Civil Engineer (1), Electrical Engineer (1) and Certified Public Accountant (1) to Serve on Measure RR Bond Oversight Committee

Qualifications

Must be a member of one of the following organizations:

- American Society of Civil Engineers (ASCE)
- Society of Women Engineers
- American Public Transportation Association (APTA)
- Women's Transportation Seminar (WTS)
- Conference of Minority Transportation Officials (COMTO)
- American Railway Engineering and Maintenance of Way Association (AREMA)
- American Institute of Certified Public Accountants
- American Institute of Electrical Engineers

Candidates must live in either Alameda County, Contra Costa County or San Francisco City and County.

About Measure RR

Voters approved Measure RR, a \$3.5 billion bond, in November 2016. The bond proceeds fund a portfolio of projects including replacing 90 miles of severely worn tracks, repair tunnels damaged by water intrusion and upgrade the aging train control system. Learn more at bart.gov/betterbart.

About the Committee

The independent Measure RR Bond Oversight Committee consists of five professionals in the areas of engineering, auditing, public finance, construction project management, and two members from the League of Women Voters. Learn more at bart.gov/bondoversight.

Committee Responsibilities

Members of the Committee are responsible for the following:

- Assess how bond proceeds are spent.
- Assess that work is completed in a timely, cost-effective and quality manner.
- Communicate its findings and recommendations to the public.
- Publish an annual report.

Time Commitment

The minimum time commitment is about 10 to 15 hours per year. There are typically four in-person meetings annually, which are open to the public.

Compensation

Committee members are volunteers. However, BART will compensate members for their travel on BART to and from meetings.
