Work Plan No. A.04-01 – CM for BART Accessibility Improvement Program

Scope:

This work will consist of management and implementation accessibility improvements for various BART station sites and accommodate limited mobility passengers. The project involves replacement or modification of curb and linear ramps and sidewalks within the accessible path of travel, correcting concrete deficiencies, handrail corrections, addition or replacement of wheelchair-accessible telephone, TTY and courtesy phones, and improved lighting in the existing elevator areas. AIP phase 1 includes Lafayette, Rockridge, Richmond, North Berkeley and Castro Valley BART stations. AIP phase 2 includes MacArthur, Hayward, Fremont, Fruitvale, Bay Fair and San Leandro BART stations.
