

DBE Financial Institutions

In accordance with the District's DBE Program and 49 CFR Part 26.27, the District is required to "investigate the full extent of services offered by financial institutions owned and controlled by socially and economically disadvantaged individuals in [the] community and to make reasonable efforts to use these institutions" and encourage prime contractors on DOT-assisted contracts to make use of these institutions.

The District reviewed the availability of DBE certified financial institutions within the 9-county BART market area (Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara, Sonoma, and Solano). As of January 16, 2026, there are no DBE certified financial institutions available to report in the market area.

Following completion of the CUCP reevaluation process required under the Interim Final Rule (IFR) effective October 3, 2025, this information will be reviewed and updated as appropriate.
