

BART Agreement Number: 6M8142

Approval Date: 09/24/2026

Work Plan No. B.12-07 Water Intrusion at Train Control Room DSDC

Scope:

The scope of services to be performed under this work plan includes providing comprehensive technical support throughout the Procurement and Bidding phases, including meeting facilitation, responses to RFIs, and the delivery of BART-compliant supplemental specifications and formal bid evaluations. During the Construction phase, the Consultant will provide DSDC, including meeting management. The Consultant will also conduct one engineer's final surveillance inspection per site upon completion of construction to verify that site conditions adhere to the design intent.
