IA COMPLAINTS RECEIVED

1: Each incident could contain more than one allegation. This chart reflects the most significant allegation per incident.

2: Each incident could contain more than one force option. This chart reflects the most significant force option used per incident.

3: Some incidents involved the use of multiple force options. If two officers involved in the same incident used the same force option, this data would reflect both officers. As an example, if two officers used control holds in the same incident, this data would reflect two separate control holds.
