Dear Fruitvale Station/Village Community,

Nighttime work planned to accommodate heavy construction delivery at Fruitvale Station during BART's blanket hours, starting from: **Wednesday, December 19 at approximately 11:00 pm through approximately Thursday, December 20 at 4:00 am** for safe delivery that also minimizes traffic impacts. This activity is related to the BART systemwide Earthquake Safety Program, seismic retrofit construction at multiple locations inside and outside the Fruitvale Station. Construction continues at a robust pace in and around **Fruitvale Station, which REMAINS OPEN for BART riders during construction.**

We appreciate your patience and cooperation during this work. As always, safety is BART's top priority. Our aim is to complete seismic retrofit work as quickly as possible, while maintaining BART service.
