EARTHQUAKE SAFETY PROGRAM
Construction Update
at Fruitvale Station

January 3, 2019

Dear Fruitvale Station/Village Community,

BART systemwide Earthquake Safety Program, seismic retrofit construction at multiple locations inside and outside the Fruitvale Station continues and REMAINS OPEN.

Due to construction activities, on Friday, January 4, 2019, AC Transit lines 20, 21, and 54 will make temporary stop moves from approximately 6:00 am to 12:00 noon to accommodate earthquake safety retrofit construction. Bus service will continue during construction with minor detours.

Applies to AC Transit Line(s): 20, 21, 54

- **Friday, January 5**, Line 54 will serve the Line 20 to Downtown Oakland and Line 21 to the Oakland Airport stop. Line 20 to Downtown Oakland and Line 21 to the Oakland Airport will share the lines 20 and 21 to the Dimond District stop.

Fruitvale Station will REMAIN OPEN for BART riders and AC Transit service will continue service during construction. We appreciate your patience and cooperation during this work. As always, safety is BART’s top priority. Our aim is to complete seismic retrofit work as quickly as possible, while maintaining BART service.

To contact the Earthquake Safety Program or obtain additional information, please visit our website at [www.bart.gov/earthquakesafety](http://www.bart.gov/earthquakesafety) or call our Program Information Line at (510) 874-7425. Thank you again for your patience and cooperation.

If you need language assistance services, please call BART’s Transit Information Center at (510) 465-2278.
