

EARTHQUAKE SAFETY PROGRAM

Construction Update at Fruitvale Station

January 8, 2019

Dear Fruitvale Station Community,

CONSTRUCTION DETAILS

Summary of Activity

AC Transit will make a temporary shift in stop moves at Fruitvale Station on Thursday morning to accommodate Earthquake retrofit construction at Fruitvale Station.

Estimated Activity Date

Bus stop temporary moves on Thursday morning, January 10, 2019.

Estimated Duration

Approximately 5:00 am to 12:00 noon.

Impacts

- AC Transit line(s) will make a temporary shift in stop moves related to construction work just outside the station main entrance.
- Intermittent lane and sidewalk closures/detours and traffic delays

Work Hours

Thursday, 1/10/19 at approximately 5 am to approximately 12 noon.

BART systemwide Earthquake Safety Program, seismic retrofit construction at multiple locations inside and outside the Fruitvale Station continues and REMAINS OPEN for BART riders.

Due to construction activities, on **Thursday, January 10, 2019, AC Transit lines will make a temporary shift in stop moves from approximately 5:00 am to 12:00 noon** to accommodate earthquake safety retrofit construction. Bus service will continue during construction with minor detours.

We appreciate your patience and cooperation during this work. As always, safety is BART's top priority. Our aim is to complete seismic retrofit work as quickly as possible, while maintaining BART service.

To contact the Earthquake Safety Program or obtain additional information, please visit our website at **www.bart.gov/earthquakesafety** or call our Program Information Line at **(510) 874-7425**. Thank you again for your patience and cooperation.

If you need language assistance services, please call BART's Transit Information Center at (510) 465-2278.

如需語言援助服務，請致電 BART 公共交通資訊中心，電話號碼為 (510) 465-2278.

Si necesita servicios de asistencia de idioma, llame al centro de información de tránsito del BART al (510) 465-2278.
