

BART Agreement Number: 6M3233

Approval Date: 09/10/2020

Work Plan No. A.01-17 – New Vehicle Project Support

Scope:

CH2M will provide the project oversight and project management functions to lead the CH2M team effort on Contract 6M3223 and provide professional expertise (technical and commercial) to BART management in support of BART's business objectives. CH2M (and its subcontractors) shall provide support to the BART New Vehicle Project for these and other tasks as deemed necessary and appropriate by the BART Project Manager and/or Project Director. Among the specific services to be provided are the following:

- Executive project oversight
- Manage, allocate and coordinate CH2M team resources, including required engineering/commercial support as directed by the BART Project Manager and/or Project Director
- Provide project management and administration support to BART staff, under the direction of the BART Project Manager and/or Project Director
- Participate in Supplier meetings as determined by the BART Project Manager and/or Project Director
- Facilitate issue resolution as may be assigned by the BART Project Manager and/or Project Director
- Other special tasks as directed by the BART Project Manager and/or Project Director
