

BART Agreement Number: 6M6136

Approval Date: 06/17/2020

Work Plan No. A.05-02 – Tunnel Lighting Review – Additional Services

Scope:

Arup will provide a 3rd party review of the June 2020 draft of the Follow-up Investigation report.

Arup will provide a Draft update to the BFS to include tunnel lighting applications for BART review.

Arup will also compare the project specific specification for Transbay Tube (TBT) light fixture selection against the project specific specification for the Project.

In performing this review, update and comparison, Arup will rely on the following documentation provided by BART: the submittals from the two lighting manufacturers, BART's review materials, and BART's specifications (including the BFS), Transbay Tube (TBT) project O&M Manual (tunnel luminaire cut-sheet with as-built drawings). Arup will produce a memorandum for each task documenting our findings based on this information. Arup will not review contractual materials or be providing any legal analysis, and makes no warranty, express or implied, with respect to use of the memorandum.

Prime: Arup
